Town Clerk's Report

Town Meeting

Tuesday, January 23, 1912.

Charles A. Owen was elected Moderator and sworn by the Town Clerk.

ARTICLE 2

Voted, To appropriate the sum of two thousand forty-three dollars and seventy-one cents (\$2,043.71) for the purpose of continuing the work of destroying the eggs, pupae and nests of the Gypsy and Brown Tail Moths in the highways and public lands of the town.

ARTICLE 3

Voted, To appropriate the sums received by taxation of private property, assessed on such property by reason of destroying the eggs, pupae and nests of the Gypsy and Brown Tail Moths by the town; said appropriation to be expended the present year for the same purpose; and all such sums expended to be assessed upon the owners of property benefited.

ARTICLE 5

Voted, That the town do authorize the Commissioners of Public Works to petition the legislature for authority to issue 25 additional sewer bonds to be of the denomination of \$1000 each; to bear interest at a rate not exceeding 4 percent. per annum, and the principal to be paid serially as follows: viz:—\$5000 in the year 1931, \$5000 in the year 1932, \$5000 in the year 1933, \$5000 in the year 1934, \$5000 in the year 1935.

ARTICLE 6

Voted, That the town do authorize the Commissioners of Public Works to petition the legislature for authority to issue 25 additional water bonds to be of the denomination of \$1000 each; to bear interest at a rate not exceeding 4 per cent. per annum, and the principal to be paid serially as follows, viz:—\$5000 in the year 1932, \$5000 in the year 1933, \$5000 in the year 1934, \$5000 in the year 1935, 5000 in the year 1936.

Voted, To adjourn

Town Meeting

Monday, March 4, 1912.

Charles A. Owen was elected Moderator and sworn by the Town Clerk.

Albert N. Aldrich, Charles H. Parsons, Leon E. Blodgett, Charles P. Brawley, Clarence S. Lynde, George W. Newhall, James H. Fitzpatrick, and William J. Finnegan, Tellers, having been appointed by the Selectmen as required by law, were sworn to the faithful performance of their duties by the Town Clerk.

The official ballots were delivered to the Ballot Clerks who receipted for the same, the ballot box opened, inspected, the register set at 0, locked and the keys given in charge of the constable, after which the polls were declared open under Article 2.

Voted, That when this meeting adjourn, it be until Tuesday, March 19, 1912, to meet in Armory Hall at 7.30 o'clock in the evening.

Voted, To close the polls under this article at four o'clock in the afternoon.

Voted, That no action be taken under this warrant until the adjourned meeting March 19, 1912, except under Articles 1 and 2.

By unanimous consent of the Moderator and Town Clerk, the ballot box was opened and the ballots taken therefrom for the purpose of counting at two o'clock in the afternoon.

The Moderator appointed the following additional tellers to assort and count the ballots: Ira E. Bumpus, Wilbur W. Chapman, George A. Hersam, Milton D. Whitcher, Charles V. Blackburn, J. Algernon Forbes, Daniel P. Hurd, John J. McLaughlin, Charles A. Sweet, Joseph L. Fedigan, Patrick Halpin, Noble H. Roberts, who were sworn by the Town Clerk.

Three "Holt Counting Apparatus" were used in counting the ballots; two Republican and two Democratic tellers assigned to each.

At four o'clock in the afternoon in accordance with the vote previously taken the Moderator declared the polls closed, at which time the ballot box registered 1208 as ascertained by the Town Clerk.

The Check lists at the gate had the names of twelve hundred and eight persons checked as having ballots.

Men, eleven hundred and sixty-nine 1169

Women, thirty nine 39

The number of ballots given out by the Ballot Clerks was twelve hundred and eight.

Men, eleven hundred and sixty-nine 1169

Women, thirty-nine 39

The number of ballots not given out and returned to the Town Clerk was eleven hundred and ninety-two.

Men, nine hundred and thirty-one 931

Women, two hundred and sixty-one 261

The check lists at the ballot box had the names of twelve hundred and eight persons checked as having voted.

Men, eleven hundred and sixty-nine 1169

Women, thirty-nine 39

The number of ballots taken from the ballot box as counted by the Moderator was twelve hundred and eight.

Men, eleven hundred and sixty-nine 1169

Women, thirty-nine 39

All the ballots cast having been assorted and counted by the Tellers appointed for that purpose, and the same tabulated and proved, declaration of the same was made as follows:

To have a complete survey and plan of each parcel of real estate in the town made by W. W. Churchill, Civil Engineer of Milton, Mass., as outlined in the report of a Special Committee read at the town meeting held March 16, 1910, and in a letter from said Churchill to the committee on survey at a total cost of \$2100.00, and that the town raise and appropriate the sum of \$2100.00 for this purpose.

Voted, That the Selectmen be a committee to arrange for said survey, and that the Commissioners of Public Works render all aid possible to the surveyor.

ARTICLE 23.

Voted, To authorize the Board of Selectmen to prepare and present to the Legislature at the earliest possible time, a bill to abolish the Board of Public Works of the town of Stoneham.

Voting in the affirmative, 237

Voting in the negative, 156

The following was read to the meeting by Mr. Hervey H. Patten.

THE COMMONWEALTH OF MASSACHUSETTS.

In the year one thousand nine hundred and twelve.

AN ACT TO ESTABLISH THE OFFICE OF SUPER-

INTENDENT OF PUBLIC WORKS IN THE .

TOWN OF STONEHAM.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same as follows:

Section 1. The offices of the Commissioners of Public

Works of the town of Stoneham, as created by chapter two hundred and sixty-three of the acts of the year nineteen hundred and two, are hereby abolished.

Section 2. All the powers, duties and liabilities conferred or imposed by law on the said commissioners of public works are hereby transferred to the board of Selectmen of the said town, except that the powers, duties and liabilities of the said Commissioners of Public Works in respect to the construction, maintenance and repair of streets, ways, bridges, sidewalks, monument at the termini and angles of roads, guide posts, drains, watermains and services, or any pipes and fixtures through which water is supplied, and common and particular sewers, are hereby transferred to the superintendent of public works hereinafter described, who shall exclusively have the powers, perform the duties and be subject to the liabilities and penalties of selectmen, surveyors of highways, water commissioners and sewer commissioners, with respect to the said matters.

Section 3. Upon the acceptance of this act, as hereinafter provided, the selectmen of the said town shall appoint a superintendent of public works, who shall be a person specially fitted by education, training or experience to perform the work devolving upon him.

Section 4. In making such appointment, the selectmen or a majority of them, shall sign a certificate in the following form:—

Certificate of Appointment.

We hereby appoint (name of appointee) to the position of superintendent of public works of the town of Stoneham, and certify that in our opinion he is a person specially fitted by education, training or experience to perform the duties of said office.

..... Selectmen.

The certificate shall be filed with the town clerk, who shall there upon forward a certified copy to the civil service commission. The commission shall immediately make a

careful inquiry into the qualifications of the nominee under such rules as they may, with the consent of the governor and council establish, and, if they conclude that he is a competent person with the requisite qualifications, they shall file with the town clerk a certificate signed by at least a majority of the commission that they have made a careful inquiry into the qualifications of the appointee, and that in their opinion he is qualified by education, training or experience for said office, as the case may be, and that they approve the appointment. Upon filing of this certificate the appointment shall become operative, subject, however, to all provisions of law or rules and regulations of the said town in regard to acceptance of office, oath of office, and the filing of bonds. If the commission does not within thirty days after the receipt of such notice, file said certificate with the town clerk, the appointment shall be void.

Section 5. Said superintendent of public works shall hold office for a period of three years from the date when his appointment becomes operative by the filing of said certificate by the civil service commission, and thereafter until his successor is chosen and qualified for said office.

Thereafter, there shall be appointed every third year by the board of selectmen in the manner provided in sections three and four of this act, a superintendent of public works, who shall hold office for the same period and shall possess the qualifications and be subject to the confirmation provided for in said sections three and four of this act, except however, that if a person holding the said office is reappointed, the approval of the civil service commission, as provided in section four of this act, shall not be required.

Section 6. Said superintendent of public works shall be sworn to the faithful and impartial performance of his duties by the chairman of the board of selectmen of said town, or by the town clerk, or a Justice of the Peace, shall receive such compensation for his services as the board of selectmen of said town may determine, and shall be subject

to such instructions, rules and regulations as the town may impose by its vote.

Section 7. The board of selectmen may remove the said superintendent of public works by filing a written statement with the town clerk, setting forth in detail the specific reasons for such removal, a copy of which shall be delivered or mailed to the person thus removed, who may make a reply in writing, which, if he desires, may be filed with the town clerk.

Section 8. Any vacancy in the said office of superintendent of public works, shall be filled in the manner provided in sections three and four of this act, for the remainder of the term, vacated. Pending such appointment, the board of selectmen may designate a person to perform the duties of said office temporarily.

Section 9. This act except as provided in section ten, shall take effect upon its acceptance by a majority vote of the voters of the town of Stoneham present and voting thereon at a legal meeting in the warrant for which the question of acceptance of said act shall be inserted as one of the articles of business.

Section 10. So much of this act as authorizes its submission as aforesaid shall take effect upon its passage.

Voted, that the foregoing bill be adopted, and that the Selectmen forward the same with their petition to Representative Arthur N. Newhall.

On motion of Oliver W. Richardson, "To reconsider action under this article," the motion being stated and tried, the question was declared lost.

A question being raised, "That the foregoing votes were taken unfairly," the moderator, for the purpose of verifying said votes, ordered a poll of the house, which resulted as follows.

Voting in the affirmative, 228

Voting in the negative,133

Voted, To adjourn to meet in Armory Hall, Tuesday, March 26th, 1912, at 7.30 o'clock P. M.

Adjourned Town Meeting

Tuesday, March 26, 1912.

Meeting called to order by Moderator Charles A. Owen.

ARTICLE 4

The committee appointed to nominate a Finance and Advisory Committee for the ensuing year, reported the following names: Edgar L. Patch, John Walsh, Clarence W. Houghton, Bernard H. Cogan, William D. Brackett, Charles Baldwin, Oliver W. Richardson, Willie H. White, Hugh Hamill.

Voted, That the report of the committee be accepted, and that the persons nominated be the Finance and Advisory Committee for the ensuing year.

ARTICLE 24

Voted, To raise and appropriate the sum of eighteen hundred dollars for maintenance of sewers the ensuing year.

ARTICLE 25

Voted, To authorize the Board of Health to make a contract for the term of three years for the collection of Garbage and collection of Ashes, if in the opinion of the Board it is expedient to do so.

ARTICLE 26

Voted, To appropriate the unexpended balance from the appropriation for the collection of ashes and garbage in the year 1911, amounting to the sum of two hundred and seventy-nine dollars and eighty-five cents (\$279.85), to be expended in paying for existing contracts expiring May 1, 1912; and raise and appropriate the sum of \$1350 for the collection of ashes and garbage from May 1, 1912, to May 1, 1913. .

ARTICLE 31

Voted, That the town do purchase an Automobile Combination Chemical and Hose Truck for the Fire Department, and to appropriate the sum of Five thousand nine hundred dollars from funds in the Town Treasurer's hands for the purpose.

ARTICLE 4

Voted, That Edgar L. Patch, Winthrop C. Whiteher, the Board of Fire Engineers and the Board of Selectmen be a committee to carry into effect the vote to purchase an Automobile Combination Chemical and Hose Truck, passed under Article 31 of this warrant.

ARTICLE 29

Voted, To sell the Hose reel and wagon now stored under Armory building and the Hose reel and wagon now in house of Hose 2.

Voted, That the committee appointed to purchase Automobile Combination Chemical and Hose Truck, be the committee to carry the foregoing vote into effect.

ARTICLE 30

Voted, To purchase 1500 feet of hose for the use of the Fire Department, and raise and appropriate the sum of seven hundred and eighty dollars for that purpose.

ARTICLE 32

Voted, To have one permanent man in the Fire Department and to raise and appropriate the sum of two hundred and seventy-five dollars in addition to the amount already appropriated for the Fire Department to enable the Engineers to carry this vote into effect.

ARTICLE 21

A motion made "To rescind the vote passed March 19, 1912, whereby it was voted "to appropriate the unexpended balance from the year 1911 amounting to \$230.76, and to appropriate one year's rent of house on playground amount-

ing to \$144.00 and to raise and appropriate the sum of \$2000 for the purpose of grading and preparing the base ball field and running track on the playground and for preparing the ground and setting out trees thereon in other sections of the playground."

The motion was stated and a vote taken by a count of hands, which was declared lost:

Voting in the affirmative	193
Voting in the negative	201

The above vote being doubted, a division of the house was ordered, and it was

Voted, to rescind the vote passed March 19, 1912, under this article.

Voting in the affirmative	180
Voting in the negative	158

Voted, To appropriate one year's rent of house on playground amounting to \$144.00 and the unexpended balance from the year 1911, amounting to \$230.76, and to raise and appropriate the sum of \$125.24 to be expended for grading the playground.

Voted, To adjourn, to meet in Armory Hall, Wednesday, April 3, 1912, at 7.30 o'clock P. M.

Adjourned Town Meeting

Wednesday, April 3, 1912.

Meeting called to order by Moderator Charles A. Owen.

ARTICLE 4

Voted, That Earle H. Chapin be added to the committee to purchase an Automobile Combination Chemical and Hose Truck for the Fire Department.

Voted, That the Engineers of the Fire Department be a committee to purchase hose voted under Article 30.

ARTICLE 34

Voted, That the Selectmen be instructed to confer with the officials of the New England Tel. and Tel. Co., the Edison Electric Illuminating Company, and the Bay State Street Railway Co., and obtain from them definite information as to what these companies will do regarding the placing of wires under ground from Hersam street to 60 feet south of the Library and in the Square, and removing the wooden poles along this location and the substitution of iron poles, and that the Selectmen make a written report at a future town meeting.

ARTICLE 35

Voted, To raise and appropriate the sum of six hundred dollars (\$600) for the purpose of purchasing a spraying machine to be used in the work of suppressing the Brown Tail and Gypsy Moths and other Moths and Beetles in the town.

ARTICLE 37

Voted, To locate a fire alarm box on Pond street near the entrance to Phinney Terrace, and to raise and appropriate the sum of Eighty dollars for the same.

Voted, That the Engineers of the Fire Department be a committee to locate fire alarm box on Pond street voted under Article 37.

ARTICLE 38

Voted, To locate a hydrant on Main street near Rolfe's Hotel, and to raise and appropriate the sum of Fifty dollars for that purpose.

ARTICLE 40

Voted, To refer the matter of retaining counsel for the ensuing year to the Selectmen, and any expense incurred for counsel to be paid from the miscellaneous account.

ARTICLE 41

Voted, To appropriate the unexpended balance from

the year 1911, amounting to the sum of \$105, and to raise and appropriate the sum of three hundred dollars for the necessary expenses of the Board of Health for the ensuing year.

ARTICLE 42

Voted, To appropriate the unexpended balance of \$200 from the year 1911, appropriated under authority of Chapter 49, Revised Laws, said sum to be at the disposal of the Board of Health to make sewer connections.

ARTICLE 45

Voted, To accept Sections 1 to 13 inclusive of Chapter 104 of the Revised Laws, said sections relating to building laws in towns.

ARTICLE 46

Voted, To accept Chapter 367, Acts of 1911, an Act relative to the use of school halls for other than school purposes.

ARTICLE 47

Voted, To raise and appropriate the sum of \$500 to maintain a night school the ensuing year.

ARTICLE 48

Voted, That the chairman of the Selectmen, Assessors and Board of Public Works, the Town Treasurer and the Town Clerk be a committee to investigate the matter of procuring proper fire protection for its public records, and report to the town at a future meeting.

ARTICLE 52

Voted, To repair Chestnut street, and to raise and appropriate the sum of \$350 for that purpose.

ARTICLE 53

Voted, To extend the sewer in and through Gould street from the existing sewer therein, easterly to a point opposite the residence of Arthur N. Newhall, and to auth-

orize the Town Treasurer to sell one sewer bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate the proceeds from the sale of said bond for that purpose.

ARTICLE 54

Voted, To extend the sewer in and through Stevens street from the existing sewer therein, southerly to a point opposite the residence of William H. Jones.

Voted, To authorize the Town Treasurer to sell one sewer bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate from the proceeds of said bond the sum of \$250 for the purpose of extending the sewer in and through Stevens street as voted under this article.

ARTICLE 60

Voted, To lay a water main in and through Norval avenue from Elm street to Garden road, and in and through Garden road from Brackett avenue to Norval avenue, when the abutters on said ways give to the town suitable releases.

Voted, To authorize the Town Treasurer to sell two water bonds of the denomination of \$1000 each, the issue of which has been authorized by the town, and to appropriate from the proceeds of said bonds the sum of \$1135 to lay the water mains in and through Norval avenue and Garden road.

ARTICLE 65

Voted, To lay a water main in and through Peabody road and Middlesex road when the abutters on said ways give to the town suitable releases.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate the sum of \$1000 of the proceeds of said bond, and the sum of \$650 from sale of bond under Article 60, to lay water mains in and through Peabody and Middlesex road.

Voted, To adjourn to meet in Armory Hall, Tuesday, April 16, 1912, at 7.30 o'clock P. M.

Town Meeting

Tuesday, April 9, 1912.

Charles A. Owen elected moderator and sworn by the Town Clerk.

ARTICLE 2.

Voted, That the Town Treasurer be authorized to borrow the sum of \$25,000 for the purpose set forth in Chapter 198 of the Acts of the year 1912, by the issue of twenty-five bonds of \$1000 each, said bonds to be denominated on the face thereof "Stoneham Sewer Loan, Act of 1912," to be numbered B1 to B25 inclusive; to be dated June 1st, 1912, and payable as follows: \$1000 on June 1st, 1913, and \$1000 on June 1st of each year thereafter up to and including the year 1937; said bonds shall bear interest at the rate of not more than 4 per cent. per annum, payable semi-annually on June and December 1st, and shall be signed by the Treasurer of the Town and countersigned by the Board of Public Works.

Voted, That the Town Treasurer sell direct from time to time, the whole or any part of the twenty-five sewer bonds, the issue of which has been authorized, for the highest obtainable price, by giving notice by publication or otherwise to such customary purchasers of municipal bonds as he deems best, to make sealed bids for the whole or any part thereof, the offer of the highest bidder who shall be satisfactory to the Treasurer to be accepted if the Treasurer deems best; the right being reserved by him to reject any or all bids; or in the event of the Treasurer not being satisfied with any of said bids, or having rejected the same, to sell the bonds at private sale, provided that such

securities shall not be sold for less than the par value thereof.

ARTICLE 3.

Voted, That the Town Treasurer be authorized to borrow the sum of \$25,000 for the purposes set forth in Chapter 199 of the Acts of the year 1912, by the issue of twenty-five bonds of \$1000 each, said bonds to be denominated on the face thereof "Stoneham Water Loan Act of 1912," to be numbered B1 to B25 inclusive; to be dated June 1st, 1912, and payable as follows: \$1000 on June 1st, 1913, and \$1000 on June 1st of each year thereafter up to and including the year 1937; said bonds shall bear interest at the rate of not more than 4 per cent. per annum, payable semi-annually on June and December 1st, and shall be signed by the Treasurer of the town and countersigned by the Board of Public Works.

Voted, That the Town Treasurer sell direct from time to time, the whole or any part of the twenty-five water bonds, the issue of which has been authorized, for the highest obtainable price, by giving notice by publication or otherwise to such customary purchasers of municipal bonds as he deems best, to make sealed bids for the whole or any part thereof, the offer of the highest bidder who shall be satisfactory to the Treasurer to be accepted if the Treasurer deem best; the right being reserved by him to reject any or all bids; or in the event of the Treasurer not being satisfied with any of said bids, or having rejected the same, to sell the bonds at private sale, provided that such securities shall not be sold for less than the par value thereof.

ARTICLE 6.

To see if the town will vote to lay a water main from the main in Ravine road in and through Ravine road, Pond street and Wyoming avenue, a distance of 1702 feet; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Voted, To refer the subject matter of this article to the Board of Public Works, they to report at the adjourned meeting April 16, 1912, under article 77 of the annual warrant.

ARTICLE 7.

Voted, To lay a water main in and through Lindenwood road from Cottage street westerly for a distance of 880 feet with a 6 inch pipe, when buildings are constructed requiring the use of water.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate the proceeds of the sale of said bond, and appropriate in addition from water receipts the sum of \$100 for the water main in and through Lindenwood road.

ARTICLE 8.

Voted, To lay a 6 inch water main in and through Hancock street from the main therein westerly to Park street a distance of 354 feet.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate from the proceeds of the sale of said bond the sum of nine hundred and fifty dollars for the water main in and through Hancock street.

ARTICLE 10.

Voted, To construct a sewer in and through Peabody road from Main street sewer to Fells road a distance of 610 feet of 6 inch pipe, when the abutters give the town suitable releases.

Voted, That the construction of the sewer in and through Peabody road be let by contract to the lowest responsible bidder.

Voted, To authorize the Town Treasurer to sell three sewer bonds of the denomination of \$1000 each, the issue of

which has been authorized by the town, and to appropriate from the proceeds of said bonds, the sum of \$2450 for the construction of the sewer in and through Peabody road.

ARTICLE 11.

Voted, To construct a sewer in and through Middlesex road, running parallel with Main street, to connect from north and south with sewer in Peabody road, a distance of 630 feet of 6 inch pipe, when the abutments give the town suitable releases.

Voted, That the construction of the sewer in and through Middlesex road be let by contract to the lowest responsible bidder.

Voted, To authorize the Town Treasurer to sell two sewer bonds of the denomination of \$1000 each, the issue of which has been authorized by the town, and to appropriate from the proceeds of said bonds the sum of \$2000 and to appropriate from the proceeds of the bonds sold under article 10, the sum of \$475 for the sewer in and through Middlesex road.

ARTICLE 4.

Voted, That the Selectmen be and are hereby authorized to enter into a contract on behalf of the town with the Edison Electric Illuminating Company of Boston, to furnish electricity to the town for municipal lighting purposes for a period of not exceeding ten years.

ARTICLE 15.

Voted, To repair Perkins street as ordered by the County Commissioners, and to raise and appropriate the sum of fourteen hundred dollars for the same.

ORDER OF COUNTY COMMISSIONERS, REPAIRS TO PERKINS STREET.

Commonwealth of Massachusetts.

Middlesex, ss.

At a meeting of the County Commissioners for the

County of Middlesex, holden at Lowell, within and for said County, on the first Tuesday of September, in the year of our Lord one thousand nine hundred and eleven.

Inhabitants of Melrose and Stoneham in said County, by their petition to said Commissioners—among other matters—pray that Perkins street in Melrose and Stoneham may be altered or specifically repaired, as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Cambridge, within and for said County, on the first Tuesday of June, A. D. 1911, when and where notice was ordered given to all persons and corporations interested therein of the time and place, when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and of record will more fully appear. And after said view and hearing said Commissioners were of the opinion that the existing highway between the termini mentioned in the petition could be so far amended as to supersede the necessity of alterations and gave notice to said city and town that they would order specific repairs.

And now the said Commissioners make return of their proceedings in the premises, as follows: said Commissioners having given notice as the law directs, met at the City Hall in said Melrose, on the 8th day of September, in the year nineteen hundred and eleven, when and where the parties appeared.

The premises having been examined and the parties fully heard, said Commissioners do determine that said Perkins street in Melrose and Stoneham should be specifically repaired in the following manner:

In Melrose twenty-one feet of roadbed shall be constructed substantially in the center of the location. The road bed underneath the surfacing material shall first be thoroughly drained. If a sewer is to be placed in the street in the

near future, it is recommended that this be done before the new roadbed is constructed. The subgrade wherever wet and springy shall be drained either by side drains, outside the width of 21 feet consisting of 5 inch vitrified clay pipe, in trenches three feet and six inches in depth, filled with crushed stone, or by providing a coarse stone foundation, or by both methods, and the top of the subgrade shall be graded and rolled to a firm foundation before applying the surfacing material. The surfacing material shall be crushed stone for a width of fifteen (15) feet, with three (3) feet on each side of selected gravelly material so as to present a finished surface twenty-one (21) feet in width, crowned three quarters of an inch to the foot. Culverts shall be repaired where necessary, to provide free passage for water, and the drains led to proper outlets. The crushed stone shall be six inches thick at the center, and four inches thick at the sides after rolling, for a width of fifteen feet.

In Stoneham the same construction of roadbed shall be performed from the town line to Orris street as above prescribed in Melrose. From Orris street to Franklin street the roadbed shall be repaired with a surfacing material equivalent to good binding gravel for a width of at least twenty-one (21) feet so that for said width the roadbed shall present a hard smooth surface free from inequalities.

The above described work shall be completed to the acceptance of the Commissioners on or before June 1, 1912.

In these proceedings, Levi S. Gould, a county commissioner, being disqualified by reason of his residence in Melrose from taking part in these proceedings, the other members of the board gave notice to Edward E. Thompson of Woburn, an Associate Commissioner, who acted in place of said Gould.

And said Commissioners order that said return be accepted and recorded, and that all the matters therein ordered be done and performed accordingly.

In witness whereof, we, the said County Commissioners

have hereunto set our hands this twenty fourth day of October in the year of our Lord, one thousand nine hundred and eleven.

(Signed) Charles H. Richardson,

Chester B. Williams,

Edward E Thompson, Associate Commissioner.

Voted, To adjourn,

Town Meeting

Tuesday, April 16, 1912.

Meeting called to order by Moderator Charles A. Owen.

ARTICLE 66

Voted, To lay a new floor in first story of the Dean School House, and to raise and appropriate the sum of five hundred and eighty one dollars for that purpose.

ARTICLE 67.

Voted, To refinish the wood work and tint the walls in the Dean School Building, and to raise and appropriate the sum of three hundred dollars for that purpose.

ARTICLE 69.

Voted, To paint the outside of the North School building, and to raise and appropriate the sum of two hundred dollars for that purpose.

ARTICLE 70.

Voted, To grant the free use of Armory Hall to the public schools, May 29, 1912, for the annual Memorial Day exercises.

ARTICLE 73.

Voted, To refer the installation of incandescent electric lights on the following streets to the Selectmen:—One on Emerald court; one on west side of Main street, corner of Gerry street; one on east side of Warren street corner of

Benton street; one on Hancock street at end of Dean street; one on the Corner of Washington avenue and Prospect street near the house of John O'Brien; one at the corner of Oak and Forest streets; one on Forest street between North street and house of Mr. Pingree; two on Curve road; one on Elm street near Albion avenue; and two on Central street.

ARTICLE 74.

Voted, To lay a six inch water main in and through Congress street from Winthrop street northerly to Hancock street.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000, the issue of which has been authorized by the town, and to appropriate from the proceeds of said bond, the sum of \$700, for the water main in and through Congress street.

ARTICLE 75.

Voted, To lay a water main in and through Elm street from the present main therein, easterly to a point twenty feet beyond the easterly boundary line of the town farm, a distance of 127 feet of six inch pipe; and to appropriate from proceeds of bonds authorized to be sold, not already appropriated, the sum of one hundred and thirty-five dollars for the same.

ARTICLE 76.

Voted, To lay a water main in and through Marble street from Park street westerly to a point near the residence of Fletcher B. Weston, a distance of 425 feet, with a hydrant.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000, the issue of which has been authorized by the town, and to appropriate from the proceeds of said bond the sum of \$700, for the water main in and through Marble street, from Park street westerly for a distance of 425 feet.

ARTICLE 77.

Voted, To lay a six inch water main in and through Pond street from the main therein, at Ravine road to a point near the residence of Charles D. Hayward a distance of 850 feet.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000, the issue of which has been authorized by the town, and to appropriate from the proceeds of said bond the sum of \$600, for the purpose of extending the water main in and through Pond street.

ARTICLE 44.

Voted, To lay a water main in and through Moulton avenue from the present main therein northerly for a distance of 150 feet, upon condition that the abutters give proper releases to the town, and to appropriate from balances of proceeds of water bonds not already appropriated the sum of \$175.00 for the same.

ARTICLE 80.

Voted, To concrete the sidewalk on Perkins and Rockland streets, with edgestones, abutting the property of Frank J. Bartlett, under the provisions of Chapter 49, Section 43 of the Revised laws, and to raise and appropriate the sum of forty-five dollars for the same.

ARTICLE 81.

Voted, To concrete the sidewalk on the west side of Wright street from Montvale avenue to Gilmore street, with a cross walk to east side of street at Gilmore street, under the provisions of Chapter 49, Section 43 of the Revised Laws, and raise and appropriate the sum of \$75.00 for the same.

ARTICLE 82.

Voted, To concrete the sidewalk on the east side of Lincoln street from Hancock street southerly to Winthrop street, under the provisions of Chapter 49, Section 43 of the Revised Laws, and raise and appropriate the sum of \$87.50 for the same.

ARTICLE 83.

Voted, To concrete the sidewalk on the northerly side of Flint avenue abutting the Armory land belonging to the town, and that the Board of Public Works have said walk put to proper grade and to appropriate from receipts from rent of Armory a sum not exceeding \$75 for the same.

ARTICLE 84.

Voted, To concrete the sidewalk on the southerly side of Pleasant street from Central street easterly to existing concrete near land of A. E. Hersey, under the provisions of Chapter 49, Section 43 of the Revised Laws, and to raise and appropriate the sum of \$42.50 for the same.

ARTICLE 85.

Voted, To concrete the sidewalk on the westerly side of Charles street under the provisions of Chapter 49, Section 43 of the Revised Laws, and raise and appropriate the sum of \$75 for the same.

ARTICLE 86.

Voted, To concrete the sidewalk on the northerly side of Avon street for a distance of 120 feet, from near house of Charles P. Brawley, easterly to the angle in said street, and also concrete the sidewalk on the easterly side of said Avon street, northerly to the northerly line of land of George A. Hyde, under the provisions of Chapter 49, Section 43 of the Revised Laws and raise and appropriate the sum of \$50 for the same.

ARTICLE 89.

To see if the town will vote to construct a sidewalk on the easterly side of Pond street from the walk therein near the house of Mary W. Wood, southerly to the Middlesex Fells Reservation, make an appropriation for the same, or do anything in relation thereto.

Voted, To refer the subject matter of this article to the Board of Public Works, to report at the annual meeting in 1913.

ARTICLE 90.

Voted, To construct a sidewalk on the Westerly side of Main street from the end of the walk near the house of David W. Gerry, southerly to South street, and raise and appropriate the sum of \$600 for the same.

Voted, That the Board of Public Works be instructed to confer with the Massachusetts' Highway Commission and the Bay State street Railway Company, to ascertain to what extent they will co-operate with the town in constructing the sidewalk on Main street.

ARTICLE 91.

Voted, To construct a sidewalk on the northerly and easterly sides of Collincote street from the end of the walk at land of E. A. Colby, northerly, and raise and appropriate the sum of \$100 for that purpose.

ARTICLE 92.

To see if the town will vote to regrade the sidewalk on the easterly side of Main street, from Elm street to Broadway, make an appropriation for the same, or do anything in relation thereto.

Voted, To refer the subject matter of this article to the Board of Public Works, to report at a subsequent meeting.

ARTICLE 93.

Voted, To concrete the sidewalk on the easterly side of Rowe street, from Lindenwood Road southerly for a distance of 75 feet under the provisions of Chapter 49, Section 43 of the Revised Laws, and raise and appropriate the sum of \$18.50 for that purpose.

ARTICLE 95.

To see if the town will enlarge the drain through land of Sarah T. Park on Hancock street, make an appropriation for the same, or do anything in relation thereto.

Voted, That the subject matter of this article be referred to the Board of Public Works.

ARTICLE 96.

To see what action the town will take in the suits for damages brought against the town by William E. Danforth, William J. Whally and Alexander B. McIntosh for alleged personal injuries.

Voted, To refer the subject matter of this article to the Board of Selectmen, they to settle or defend the suits against the town as they deem best.

ARTICLE 97.

Voted, To construct a sewer in and through Columbus avenue from Isabella street westerly for a distance of 329 feet, six inch pipe.

Voted, To authorize the Town Treasurer to sell one sewer bond of the denomination of \$1000, the issue of which has been authorized by the town, and to appropriate the sum of \$450 of the proceeds of said bond for the sewer in and through Columbus avenue.

ARTICLE 100.

Voted, To raise and appropriate the sum of \$284.29 to pay bills against the town for hospital charges of Bernard Conefy and George S. Hanson at the Reading State Sanatorium, and of Harold A. Harnden at City Hospital, Boston.

Voted to Adjourn.

Town Meeting

Monday, April 22, 1912.

Charles A. Owen elected moderator, and sworn by the Town Clerk.

ARTICLE 2.

To see if the town will vote to purchase of William Murphy for a site for a town hall or municipal building, the lot of land situated on the easterly side of Main street, between Church street and Winter street, known as the

William Tidd Estate for a sum not exceeding \$7000; make an appropriation for the same or do anything in relation thereto.

Voted, To indefinitely postpone the subject matter of this article.

Voted, To adjourn.

Agreement for Electric Street Lighting Service

The Town of Stoneham through its duly authorized representative, hereby applies to the Edison Electric Illuminating Company of Boston for all its Electric Street Lighting Service, to be rendered by said company pursuant hereto and subject to the Street Lighting Terms and Conditions, printed herewith, all things to be furnished or done to the reasonable satisfaction of the Board of Selectmen.

LOCATION OF LAMPS: As now installed in the town of Stoneham, or as hereafter ordered in by proper authority.

DESCRIPTION OF DISTRICT SUPPLIED: All parts of the town of Stoneham.

DESCRIPTION OF SERVICE: 230—40 Candle power Incandescent lamps; 10—60 Candle power Incandescent lamps; 1—80 Candle power Incandescent lamps; 1—100 Candle power Incandescent lamps; 300 Candle power Incandescent lamps; 320 Candle power Incandescent lamps; 400 Candle power Incandescent lamps; 18—425 watt A. C. Arc lamps; 400 Candle power Gilbert 500 watt D. C. Arc lamps; 800 Candle power Magnetite 500 watt D. C. Arc lamps; 1600 Candle power Thoran 500 watt D.C. Arc lamps.

And said municipality agrees to be bound by the Street Lighting Terms and Conditions of the Company, printed herewith, and to pay the prices called for in the Company's Schedule E, printed herewith, until May 1st, 1922, and thereafter until one year after written notice by either party

to the other of its election to terminate this agreement, which notice may be given at any time after the beginning of the one year period next preceding the expiration of the original period above fixed.

This agreement shall take effect as of May 1, 1912, and is subject to appropriations for street lighting.
Stoneham, April 24th, 1912.

(Signed) Town of Stoneham
By GEO. R. BARNSTEAD,
GEO. A. HINCHCLIFFE,
LESTER D. HOLDEN,
Board of Selectmen.

The foregoing application is hereby accepted upon the terms and for the period above specified.

THE EDISON ELECTRIC ILLUMINATING COMPANY
OF BOSTON,

By William H. Atkins,
General Superintendent.

April 24th, 1912.

STREET LIGHTING RATES.SCHEDULE E.: Electricity for street lighting use will be sold to Municipalities under the Street Lighting Terms and Conditions, printed herewith, in accordance with the following table:

Description of Lamps	Fixed Cost per lamp	Running Costs per lamp
40 candle power Inc. Lamp,	\$10.80	25-100 cents
60 candle power Inc. Lamp,	12.00	3-10 cents
80 candle power Inc. Lamp,	14.00	4-10 cents
100 candle power Inc. Lamp,	18.00	5-10 cents
200 candle power Inc. Lamp,	25.00	1 cents
320 candle power Inc. Lamp,	36.00	1 5-10 cents
400 candle power Inc. Lamp,	42.00	1 6-10 cents
425 watt A. C. Arc,	36.00	1 5-10 cents
400 candle power Gilbert,		
500 watt, D. C. Arc,	36.00	1 6-10 cents

Description of Lamps	Fixed Cost per lamp	Running Costs per lamp
800 candle power Magnetite, 500 watt, D. C. Arc,	42.00	1 75-100 cents
1600 candle power Thoran, 500 watt, D. C. Arc,	42.00	3 2-10 cents

All readings of candle power and watts to be average and not individual.

FIRST DEDUCTION. A rate of 1c per hour per incandescent lamp and 5c per hour per arc lamp will be allowed for all outages in any month, provided written notices of same is received by the Company on or before the 5th of the succeeding month.

SECOND DEDUCTION. When agreements are made for periods longer than one year a discount of one per cent. per year will be allowed for each year up to ten.

STREET LIGHTING TERMS AND CONDITIONS

The foregoing agreement is subject to the following Terms and Conditions:

1. The lamps, poles, wires, fixtures and other apparatus, appliances and materials necessary for the performance of this Agreement, except posts for incandescent lamps supplied from underground circuits, shall be furnished by the Company and kept in good order and condition by it. The lamp shall give a clear and steady light.

The Company shall furnish electrodes (carbons) for and trim all arc lamps, and will renew incandescent lamps whenever they become dim, broken or burned out.

2. Payments hereunder shall be made monthly on the regular pay day of the municipality.

3. The Company will give the Municipality the benefit of any lower prices for service such as that herein provided for, or of any better quality or efficiency of service, which may at any time during the continuance of this Agreement be enjoyed by any Municipality served by it, such relative prices, quality and efficiency to be determined by taking

into consideration all the circumstances and conditions in both cases. Upon written demand by the Municipality the benefit of two-thirds of any general reduction in the present cost to the Company, including depreciation and interest on investment, of supplying the service called for by this Agreement, but only so long as and to the extent that such decreased cost shall continue.

4. The Company will indemnify and save harmless the Municipality against any and all claims for damages, loss, cost and expense on account of injury to persons or property arising in any way out of the erection, construction, maintenance or use of any of the lamps, poles, wires, fixtures, and other apparatus and appliances, furnished by the Company hereunder, except where such injury is the result in whole or in part, of the fault or neglect of the Municipality, its officers, servants or agents, while acting as agents of the Municipality; and against any and all claims for damages by reason of any alleged infringement of patent rights in the use of lamps, poles, wires, fixtures, machinery and other apparatus, appliances and material supplied by the Company hereunder; and will, at its own expense, assume the defence of all actions at law or in equity which may be brought against the Municipality upon any claims as aforesaid, and also against all decrees, judgments and orders of any court based thereon.

5. The Municipality may at all times, with or without the Company's knowledge, employ a competent person to examine and test the electrical currents and apparatus employed in furnishing the lighting service herein provided for, to ascertain whether or not the Company is complying with the terms of this Agreement, and for such purpose the Company agrees that such person may have access at all reasonable times to said lamps, poles, wires, fixtures and other apparatus of the Company used in carrying out this Agreement.

The Municipality will indemnify and save harmless the

Company against any and all claims for damages, loss, cost and expense on account of injury to persons or property arising in any way out of the employment, act or neglect of any such person, except such as may arise, in whole or in part, from the fault or neglect of the Company, its agents or servants while acting as agents of the Company.

In case two tests of any circuit or lamp shall be made, separated by an interval of not less than one hour, during any one night, and both of said tests shall prove that the Company is not furnishing the electrical energy or light required by this Agreement, then such circuit or such lamp shall be deemed to be outages as provided herein.

6. Such additional lamps shall be installed, without charge to the Municipality, as may be designated by the Municipality at any time before notice is given to terminate this Agreement, provided the Company shall not be required to extend its lines more than four hundred feet overhead, or in localities served by underground construction more than one hundred feet underground to reach any lamp; But the Municipality may require extensions of lines for additional lamps at any time during the term of this agreement, by paying the cost of so much of the extension as exceeds that herein required to be made by the Company, such payments to apply as credits on future bills for lighting on such additional lines. Whenever requested by the Municipality, the Company will change the location of any lamp at the expense of the Municipality, not exceeding, however, five dollars for each arc lamp and three dollars for each incandescent lamp so moved, unless new lines or poles are required.

7. The discontinuance of any street or highway shall have the effect of discontinuing whatever lamps may have been located on such street or way. The Municipality may at any time discontinue a lamp or lamps for reasonable cause, but the number of lamps of any type in service at any time shall not, except as hereinbelow pro-

vided, be less than ninety-five per cent. of the maximum number of such lamps in service under this Agreement at any time prior thereto. In case of such discontinuance the installation of any lamps at other locations shall be charged for the same as charges of locations under Article 6 hereof until the original number installed shall again have been reached.

Lamps of any type may be substituted for lamps of any other type if the Municipality pays the total expense of making the change and the total amount of payments by the Municipality hereunder at the then standing rates is not thereby diminished.

8. Should the Municipality at any time find that the Company is not complying fully with the terms and requirements of this Agreement, the Municipality shall immediately notify the Company of such fact, and the Company shall at once remedy the fault, but failure to give such notice shall not impair any obligation of the Company. But the Company shall not be responsible for any failure to supply electricity if such failure is without default or neglect on its part.

9. If the Municipality shall at any time during the continuance of this Agreement be required to purchase the whole or any part of the plant of the Company located within the limits of said Municipality, under the present law, or any amendment thereof, the Municipality shall not be holden for the unexpired term of this Agreement, nor shall this Agreement or the unexpired term thereof be in any way considered as an element of value in such purchase; provided, however, that in case of such purchase the Municipality shall not be entitled to the full discount provided for in this agreement, unless it shall have been in operation for the full period thereof. If the agreement shall not have been in operation for the full period thereof, because of such purchase, the accounts between the Municipality and the Company shall be adjusted so as to make the total net

payments by the Municipality to the Company what they would have been if the Agreement had been made for the period during which it was actually in operation.

Nothing in this contract shall be construed to annul, suspend or limit any right of either party to apply to the Board of Gas and Electric Light Commissioners of the Commonwealth or any other proper authority or tribunal for a determination or revision or change of the prices or other terms or conditions herein contained except that the constitutional rights of either party shall not thereby be infringed.

Primaries

Tuesday, April 30, 1912.

The meeting was called to order by George R. Barnstead, chairman of the Board of Selectmen, and the warrant read by the Town Clerk.

The Tellers appointed by the Selectmen as provided by law, were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks, Charles H. Parsons, Republican, Charles P. Brawley, Democratic.

Check list at gate, Howard W. Quinby, Republican, James H. Fitzpatrick, Democrat.

Check list at ballot box, J. Algernon Forbes, Republican, James E. Fulton, Democrat.

To attend ballot box and booths, Clarence S. Lynde, Republican, William J. Finnegan, Democrat.

The packages of ballots were delivered to the Ballot Clerks, who receipted for the same; the ballot box opened inspected, locked and the dial set at O, and the keys given in charge of the constable; after which the polls were declared open.

The chairman appointed as additional Tellers to assort

and count the ballots the following: Republicans, Arthur N. Newhall, Richard Sutton, Frank E. Parks, Charles E. Cloutman, Robert F. Chase, Milton D. Whiteher. Democrats, Patrick Halpin, Francis S. Desmond, Daniel P. Hurlid, Lawrence E. Doucette, James H. Halpin, Lawrence J. Fedigan.

At eight o'clock in the evening the balloting was declared closed, at which time the ballot box registered 666 as ascertained by the Town Clerk.

Three "Holt counting apparatus" were used in counting the ballots, two Republican and two Democratic tellers assigned to each.

The check list at the gate contained the names of six hundred and sixty-five names checked as having received ballots, declaring themselves as follows:

Republicans	611
Democrats	54

The check list at the ballot box had the names of six hundred and sixty-five persons checked as having voted.

Republicans	611
Democrats	54

The number of ballots taken from the ballot box as counted by the chairman was six hundred and sixty-five.

Republicans	611
Democrats	54

All the ballots cast by the Republicans having been assorted and counted in accordance with the law, the blocks of ballots sealed, the tally sheet signed, the votes tabulated and the total tally sheet signed by the presiding officer, public declaration of the same was made as follows:

All requirements of the law having been complied with in assorting, counting, tabulating and announcing the result of the balloting, it was

Voted, To Adjourn.

Recount

of ballots cast Tuesday, April 30, 1912, for Delegates at Large on the Republican ballot pledged to William Howard Taft.

PETITION.

Stoneham, May 3, 1912

We, the undersigned qualified voters of Stoneham, hereby certify that we have reason to believe and do believe that records or copy of records made by primary election officers of the number of votes cast at the primary held April 30, in Stoneham, are erroneous, inasmuch as less votes were counted for the eight candidates for delegates at large in Group 3 on the Republican ballot, pledged to William Howard Taft, than were actually cast for said candidates, that more votes

were counted as blanks than should be so counted and that a recount will affect the election of such candidates, namely: Winthrop Murray Crane of Dalton, John L. Bates of Boston, Lucius Tuttle of Brookline, John W. Weeks of Newton, Samuel B. Capen of Boston, Samuel J. Elder of Winchester, James F. Cavanagh of Everett, and Edmond Cote of Fall River, and we respectfully ask that a recount be made of the votes cast for the candidates for delegates at large named in Group 2 and Group 3 on the Republican ballot and also in connection therewith, that a statement be made of the number of such votes returned as blanks for the reason that crosses were made against names of nine instead of eight of such candidates.

NAMES AND ADDRESSES, APRIL 1, 1912.

- 1 James A. Jones, 66 Pleasant St., Stoneham.
- 2 George A. Gilbert, 136 Summer St., Stoneham.
- 3 William A. Sturtevant, 60 Pleasant St., Stoneham.

Personally appeared before me James A. Jones one of the signers of the above petition and made oath to the truth of the statement therein.

GEORGE N. GREEN, Justice of the Peace
Filed May 3, 1912, at 10.30 A. M.

CERTIFICATE.

Stoneham, Mass., May 7, 1912.

To the Town Clerk, Stoneham, Mass.

Dear Sir: On petition of James A. Jones and others, praying for a recount of the ballots cast Tuesday, April 30, 1912, for delegates at large on the Republican ballot, after due notice to all parties interested, the Board of Registrars of Voters met in the Selectmen's office Tuesday, May 7, 1912, at 2 o'clock in the afternoon for the purpose set forth in the petition; James A. Jones representing the interests of the delegates favorable to William Howard Taft, and Arthur N. Newhall representing the interests of delegates favorable to Theodore Roosevelt were present; the blocks of ballots were delivered to the Board, opened, and the ballots counted as petitioned for, with the following result:

Frank Seiberlich of Boston	13
Winthrop Murray Crane of Dalton	214
John L. Bates of Boston	213
Lucius Tuttle of Brookline	209
John W. Weeks of Newton	210
Samuel B. Capen of Boston	210
Samuel J. Elder of Winchester	211
James F. Cavanagh of Everett	208
Edward Cote of Fall River	201

The number of ballots thrown out on account
of having nine delegates names crossed, was 45

Memorandum of Agreement—Survey

Made this 17th day of May, 1912, by and between
George R. Barnstead, George A. Hinchcliffe and Lester D.

Holden, Selectmen of the town of Stoneham, parties of the first part; and W. W. Churchill of Milton, Mass., party of the second part.

In consideration of the payment of \$2100 to be made by said parties of the first part to said Churchill party of the second part, said party of the second part agrees to make a complete survey, with plans of all lands in the town of Stoneham, except such as are included in the Metropolitan Park; said survey and plans to be made on a scale of 100 feet to an inch for business and residential sections of said town, and 300 feet to an inch for outlying sections; the work of said survey and plans to be completed in one year from the date hereof.

It is also further agreed that all note books and books of record used in such survey shall be furnished by said Selectmen, and that all notes and records shall be the property of the town of Stoneham.

In witness whereof the parties hereto set their hands and seals this 17th day of May A. D. 1912, in duplicate.

GEORGE R. BARNSTEAD, (Seal)

GEORGE A. HINCHCLIFFE, (Seal)

LESTER D. HOLDEN, (Seal)

WILLIAM W. CHURCHILL, (Seal)

Elizabeth T. Churchill as witness.

Town Meeting

Wednesday, May 22, 1912

Charles A. Owen chosen Moderator and sworn by the Town Clerk.

ARTICLE 2

Voted, to appropriate the sum of \$1,000 the same to be expended in conjunction with the Commonwealth, to purchase a lot of land for an Armory site, and for incidental expenses pertaining thereto.

ARTICLE 3.

Voted, To lay a water main in and through Rowe Hill road from the water main in Peabody road northerly for a distance of 350 feet, when buildings are erected thereon requiring water and proper releases have been obtained from the abutters thereon.

Voted, that the Town Treasurer be authorized to sell two water bonds of the denomination of \$1000 each, the issue of which has been authorized by the town, and to appropriate from the proceeds of said bonds the sum of \$1600 to construct the water main in and through Rowe Hill road.

ARTICLE 4.

Voted, To construct a sewer in and through Rowe Hill road from the sewer in Peabody road, northerly for a distance of 350 feet, when buildings are erected thereon requiring the use of sewers and proper releases have been obtained from the abutters thereon.

Voted, That the Town Treasure be authorized to sell two sewer bonds of the denomination of \$1,000 each, the issue of which has been authorized by the town, and to appropriate the sum of \$1250 of the proceeds of said bonds for the construction of the sewer in and through Rowe Hill road.

ARTICLE 5.

Voted, To lay a water main in and through Linden street from Main street to Warren street, a distance of 350 feet, and appropriate from the proceeds of bonds voted to be sold under Article 3, the sum of \$300 for that purpose.

ARTICLE 6.

Voted, To appropriate the sum of \$250 to repair the stone crusher plant.

ARTICLE 7.

Voted, To appropriate in addition to the amount already appropriated, the sum of \$500 to complete the work of Hill street as laid out by the County Commissioners.

Voted, To adjourn.

Town Meeting

Wednesday, July 3, 1912

Charles A. Owen elected Moderator and sworn by the Town Clerk.

ARTICLE 2.

Voted, To water Central street from Pomeworth street to William street, and to assess the abutters three cents per lineal foot.

ARTICLE 3.

Voted, To refer the subject of locating an incandescent electric light on Highland avenue, to the Selectmen.

ARTICLE 4.

Voted, To concrete the sidewalk on the northerly side of Flint avenue, with edgestones thereon, from Main street westerly to Rowe street, and to appropriate the sum of three hundred dollars for that purpose.

ARTICLE 5.

Voted, To appropriate the sum of \$200 for the erection of Street signs.

ARTICLE 6.

Voted, To appropriate the sum of one hundred dollars to repair house situated on the playground.

Voted, To adjourn.

Petition

To the Honorable the Board of Selectmen of the Town of Stoneham.

Respectfully represents your petitioner, the Bay State Street Railway Company, a corporation established under the laws of the Commonwealth of Massachusetts, and doing business in the town of Stoneham, that it desires an altera-

tion, relocation and extension of its tracks in the said town of Stoneham, and that public convenience and necessity require the same.

WHEREFORE it respectfully petitions your Honorable Board for an alteration and relocation of its existing track, and extension of its location by an additional track in Main street from Montvale avenue, to near the Boston & Maine Railroad crossing, and an alteration, relocation and extension of its existing turnouts in Main street in said Stoneham, together with such switches, curves and cross connections as may be necessary or convenient for the operation of the cars of said Company; all substantially as shown on plans to be filed at the hearing to be held thereon.

And to erect, place, maintain and use such poles, wires and other appliances as are usual and necessary in the overhead trolley system of street car propulsion and to propel cars by such system over the said track with electricity as the motive power, or to use such other power as the laws of this Commonwealth permit and the Selectmen of said town shall from time to time approve; and to make such surface alterations in the ways through which these alterations, relocations and extensions are granted as may be necessary.

(Signed) BAY STATE STREET RAILWAY COMPANY

By P. F. Sullivan, President.

Stoneham, Mass., March 5, 1912.

ORDER OF LOCATION

IN BOARD OF SELECTMEN,

Town of Stoneham, April 1st, 1912.

Upon petition of the Bay State Street Railway Company, dated March 5th, 1912, for an alteration, of its location by an additional track in Main street from Montvale Avenue to near the Boston & Maine Railroad Crossing, and an alteration, relocation and extension of its existing turnout in Main street in said town of Stoneham, with necessary

poles therefor, as therein petitioned due notice having been given and hearing held as required by law, it is

Ordered, that the petition be granted, subject to all the conditions of the original grant of location, subject to general provisions of law applicable thereto.

The location of tracks and poles to be as shown on plans of the Road Department of said Company, dated February 29th, 1912, numbered L-3812 and L-3870, duly approved thereon by this Board and made a part of this order.

(Signed) GEORGE R. BARNSTEAD,
GEORGE A. HINCHCLIFFE,
LESTER D. HOLDEN,
Selectmen of Stoneham,

ORDER OF NOTICE.

COMMONWEALTH OF MASSACHUSETTS.

BOARD OF RAILROAD COMMISSIONERS.

Boston, June 18, 1912.

On the petition of the Bay State Street Railway Company for approval of location and relocation of its railway in Main street in the town of Stoneham, established under an order of the Selectmen of said town, dated April 29, 1912, and an order of the Massachusetts Highway Commission dated June 4, 1912, the Board will give a hearing to the parties in interest at its office No. 20 Beacon street, Boston, on Tuesday, the twenty-fifth day of June, instant, at ten thirty in the forenoon.

And the petitioner is required to give notice of said hearing by publication hereof, once prior to said date in the ENTERPRISE, a newspaper published in Stoneham, to serve a copy, hereof, on the town of Stoneham and the Massachusetts Highway Commission, and to make return of service at the time of hearing.

By order of the Board,
CHARLES E. MANN, Clerk.

ORDER.

COMMONWEALTH OF MASSACHUSETTS.
IN BOARD OF RAILROAD COMMISSIONERS

June 26, 1912

Petition of the Bay State Street Railway Company for approval of location and relocation in Stoneham.

After notice and hearing and full consideration,—it is

Ordered, That the Board hereby certify that the location for the tracks of the Bay State Street Railway in Main street, from Montvale Avenue to near the Boston & Maine railroad crossing, and relocation and extension of an existing turnout in Main street in the town of Stoneham, established under an order of the Selectmen of said town dated April 29, 1912, and of the Massachusetts' Highway Commission dated June 4, 1912, copies of which orders, with accompanying plan are on file in this office, are consistent with the public interests.

Attest: (Signed) CHARLES E. MANN, Clerk.

A true copy,

Attest: CHARLES E. MANN, Clerk.

ACCEPTANCE.

To the honorable Board of Selectmen of Town of Stoneham:

The Bay State Street Railway Company hereby accepts, subject to and in accordance with all general laws thereto applicable, the alteration and relocation of its existing track and extension of its location by an additional track in Main street from Montvale avenue to near the Boston & Maine Railroad Crossing, and an alteration, relocation and extension of its tracks and existing turnout in Main street in the town of Stoneham, as granted by an order of the Board of Selectmen of said town dated April 29, 1912, and of the Massachusetts Highway Commission dated June 4, 1912,

and certified by the Honorable Board of Railroad Commissioners of the Commonwealth of Massachusetts to be consistent with the public interests in its order dated June 26, 1912.

Bay State Street Railway Company,

By CHARLES WILLIAMS, Clerk.

Boston, Mass., July 31, 1912.

DIRECTORS' VOTE

I hereby certify that at a meeting of the Board of Directors of the Bay State Street Railway Company, duly called and held on the thirty-first day of July, 1912, at which a majority of the Directors were present, the acceptance of location and re-location to which this certificate is attached was read and considered and that a vote of which the following is a true copy was passed:

Voted, That this Company accept the alteration and re-location of its track and extension of its location by an additional track in Main street, from Montvale avenue to near the Boston & Maine Railroad crossing, and an alteration, relocation and extension of its tracks and existing turnout in Main street in the town of Stoneham, as granted by an order of the Board of Selectmen of said town, dated April 29, 1912, and of the Massachusetts Highway Commission dated June 4, 1912, and certified by the Honorable Board of Railroad Commissioners to be consistent with the public interests in its order dated June 26, 1912, and that the clerk be and hereby he is authorized and directed in the name and on behalf of this company to sign the acceptance which has just been read of said location and relocation, to attach to said acceptance a copy of this vote, and to file the said acceptance with the Honorable Board of Selectmen of said town.

Attest:

CHARLES WILLIAMS, Clerk.

Tuesday, September 24, 1912.

Meeting called to order by George R. Barnstead, chairman of the Selectmen, and the warrant read by the Town Clerk.

The Tellers appointed by the Selectmen to serve at this meeting were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks; Charles F. Dinsmore, Republican, Charles P. Brawley, Democrat.

Check List at Gate, Leonard L. Fraser, Republican, James H. Fitzpatrick, Democrat.

Check-List at Ballot Box; J. Algernon Forbes, Republican, Alfred T. Peacock, Democrat.

Ballot Box and Booths, Clarence S. Lynde, Republican, James E. Fulton, Democrat.

The packages of ballots were delivered to the Ballot Clerks who receipted for the same, the ballot box opened, inspected, the dial set at 0, locked and the keys given in charge of the constable; and the polls declared open.

The chairman appointed the following additional tellers to assort and count the ballots:—Republican: Charles H. Parsons, Charles V. Blackburn, Charles E. Cloutman, Earl R. Wall, George W. Perry, Edward Perry, Democratic: William J. Finnegan, Daniel P. Hurl, Patrick Halpin, Lawrence E. Doucette, James H. Halpin, Albert E. Finnegan, who were sworn by the Town Clerk.

At nine o'clock in the evening the polls were declared closed at which time the ballot box registered 381 as ascertained by the Town Clerk.

Three "Holt counting apparatus" were used in counting the ballots, two Republican and two Democratic Tellers assigned to each.

The check-list at the gate contained the names of 381 persons checked as having received ballots, declaring themselves as follows:—

Republicans,	301
Democrats,	80

The check-list at the ballot box had the names of 381 persons checked as having voted as follows:—

Republican	301
Democrats,	80

The number of ballots taken from the ballot box as counted by the chairman was,

Republican,	301
Democratic,	80

The number of ballots returned to the Town Clerk by the ballot clerks, was

Republican,	1299
Democratic,	620
Socialist,	100

All the ballots cast by the Republicans having been assorted and counted in accordance with the law, the blocks of ballots sealed, the tally sheets signed, the votes tabulated, and the total tally sheet signed by the presiding officer, public declaration of the same was made as follows:—

Recount

Of ballots cast for Nomination for Senator, Sixth Middlesex District for Wilton B. Fay and Edward C. Miller on Republican Ticket, Tuesday, September 24, 1912.

PETITION.

To the Town Clerk of the Town of Stoneham:

Respectfully represents that the subscribers, registered voters in the town of Stoneham, have reason to believe, and do believe that the records made by the election officers in the town of Stoneham are erroneous inasmuch as they believe that more votes were counted for Wilton B. Fay than he was justly entitled to, and that less votes were counted for Edwin C. Miller than he was justly entitled to for the office of State Senator from the Sixth Middlesex District; therefore your petitioners pray that the votes cast for State Senator at the primaries held September 24, 1912, be recounted and such errors as are found be corrected.

NAME AND RESIDENCE, APRIL 1, 1912.

Sidney A. Hill, 31 Chestnut Street, Stoneham.
 Charles E. Cloutman, 8 Gerry Street, Stoneham.
 Albert J. Smith, 6 Hersam Street, Stoneham.
 Louis F. Bruce, 3 Warren street, Stoneham.
 Horace O. Bellows, 14 Wright Street, Stoneham.
 Frederick H. Peterson, 4 Central Street, Stoneham.
 William H. Sprague, 7 Gould Street, Stoneham.
 Charles D. Harris, 20 Flint Avenue, Stoneham.
 Clarence S. Lynde, 348 Main Street. Stoneham.
 Charles O. Currier, 377 Main Street, Stoneham.

Stoneham, September 25, 1912.

Middlesex, SS.

Then personally appeared before me Sidney A. Hill one of the signers of the above petition and made oath that

the statements contained therein are true to the best of his knowledge and belief.

SAMUEL T. PARKER,

Justice of the Peace.

203 Lowell Street, Wakefield, Mass.

Filed September 27, 1912, at 11 o'clock A. M.

CERTIFICATE.

Stoneham, October 2, 1912.

To the Town Clerk, Stoneham, Mass.

Dear Sir:—On petition of Sidney A. Hill and others, praying for a recount of the ballots cast Tuesday, September 24, 1912, for Wilton B. Fay and Edwin C. Miller for the nomination for State Senator from the Sixth Middlesex District on the Republican ticket, after due notice to all parties interested, the Registrars of Voters met in the Selectmen's office, Wednesday, October 2, 1912, at 3 o'clock in the afternoon, for the purpose set forth in the petition; James A. Jones represented Wilton B. Fay and Samuel T. Parker represented the interests of Edwin C. Miller; the blocks of ballots were delivered to the Board, opened and the ballots counted as petitioned for, with the following result.

Wilton B. Fay of Medford,	130
---------------------------	-----------	-----

Edwin C. Miller of Wakefield	151
------------------------------	-----------	-----

HERBERT H. RICHARDSON,

FRED E. KERNS,

WILLIAM GARSIDE,

Registrars of Voters.

Town Meeting

Wednesday, October 16, 1912.

Charles A. Owen elected Moderator and sworn by the Town Clerk.

ARTICLE 2.

Voted, To lay a water main in and through Main street, from the existing main therein at the corner of South street, northerly for a distance of 600 feet.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate the sum of \$780 from the proceeds from the sale of said bond to lay a water main in and through Main street as voted.

ARTICLE 3.

Voted, To lay a water main in and through Wilson road from Main street easterly for a distance of 280 feet, provided satisfactory releases are secured from all abutters.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate the sum of \$398 from the proceeds from the sale of said bond to lay the water main in and through Wilson road.

ARTICLE 4.

Voted, To lay a water main in and through Parkway road from Wilson road southerly for a distance of 320 feet, provided satisfactory releases are secured from all abutters.

Voted, To appropriate the sum of \$416 from the proceeds from the sale of the water bond authorized to be sold under Article 3 of this warrant, to lay a water main in and through Parkway road as voted.

ARTICLE 8.

Voted, To locate a hydrant on Main street near Wilson road, and to appropriate the sum of \$75 from the proceeds from the sale of the water bond authorized to be sold under Article 2 of this warrant for the same.

ARTICLE 9

Voted, To lay a water main in and through Brackett avenue, from Garden road northerly for a distance of 280

feet to a point near land of Mark Wooldridge, provided satisfactory releases are secured from all abutters.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate the sum of \$425 from the proceeds from the sale of said bond, to lay a water main in and through Brackett avenue as voted.

ARTICLE 10

Voted, To lay a water main in and through Duncklee avenue from the existing main therein, southerly for a distance of 160 feet to a point near the residence of John H. Craigie, provided satisfactory releases are secured from all abutters.

Voted, To appropriate the sum of \$250 from the proceeds from the sale of the water bond authorized to be sold under Article 9 of this warrant, to lay a water main in and through Duncklee avenue as voted.

ARTICLE 11.

Voted, To lay a water main in and through Elm street from the existing main therein easterly for a distance of 440 feet to a point near land of Delia A. Dolan.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of \$1000 the issue of which has been authorized by the town, and to appropriate from the proceeds from the sale of said bond the sum of \$491 to lay a water main in and through Elm street as voted.

ARTICLE 13.

Voted, To accept the provisions of Chapter 635 of the Acts of 1912, an Act entitled "An Act relative to tenement houses in towns."

ARTICLE 14

Voted, To refer the suits brought against the town by Jeannette E. Looker, Mary C. Fisher, Joseph W. Hannaford, Benjamin F. Creamer, Mary Creamer, Viola Creamer, Rose-

lind Creamer, and Joseph Creamer to the Selectmen, to settle or defend as they deem for the best interests of the town.

ARTICLE 15

Voted, To appropriate the sum of \$200 for repairs to the Pomeworth Street Playground.

ARTICLE 16.

Voted, To appropriate the sum of \$1500 for repairs to highways.

ARTICLE 17

Voted, To appropriate the sum of \$200 to complete Perkins street.

Voted, To Adjourn.

Town Meeting

Tuesday, November 5, 1912.

Meeting called to order by Chairman George R. Barnstead, and the warrant for the same read by the Town Clerk.

The Tellers appointed by the Selectmen as required by law, were sworn by the Town Clerk and assigned to duty as follows:—

Ballot Clerks; Charles A. Stone, Republican, Albert N. Aldrich, Republican, Charles P. Brawley, Democrat, Alfred T. Peacock, Democrat.

Tellers; Robert F. Chase, Republican, Frank E. Parks, Republican, James E. Fulton, Democrat, James H. Fitzpatrick, Democrat.

A package said to contain 2050 official ballots was delivered to the Ballot Clerks and a receipt taken for the same; the ballot box opened, inspected, the dial set at 0, locked, and the keys given in charge of Constable Sumner H. Green, after which the polls were declared open.

Voted, To close the polls at four o'clock in the afternoon. By unanimous consent of the Selectmen and Town

Clerk, at one o'clock in the afternoon, the ballot box was opened and ballots taken therefrom for the purpose of counting.

The chairman appointed the following additional Tellers: Milton D. Whitcher, Republican, Charles F. Dinsmore, Republican, Edward Perry, Republican, William A. Brooks, Republican, William A. Oppen, Republican, Myron P. Pefers, Republican, Daniel P. Hurd, Democrat, Joseph L. Fedigan, Democrat, Patrick Halpin, Democrat, Francis S. Desmond, Democrat, James H. Halpin, Democrat, Thomas F. Halpin, Democrat, who were sworn by the Town Clerk.

Three "Holt Counting Apparatus" were used in counting the ballots, two Republican and two Democratic Tellers assigned to each.

At four o'clock in the afternoon in accordance with the vote previously taken, the chairman declared the polls closed, at which time the Ballot box registered 1504 as ascertained by the Town Clerk.

The check-list at the gate had the names of 1504 persons checked as having received ballots.

The check-list at the ballot box had the names of 1504 persons checked as having voted:

The number of ballots given out by the ballot clerks was 1504.

The number of ballots returned to the Town Clerk was 546.

The number of ballots taken from the ballot box as counted by the chairman, was 1504.

All the ballots cast having been assorted and counted by the tellers appointed for that purpose, and the same tabulated and proved, declaration of the same was made as follows:—

Recount

Of ballots cast for Councillor Sixth District, Treasurer, Auditor and Attorney General, November 5, 1912.

PETITION

Stoneham, November 8, 1912.

Town Clerk of Stoneham, Mass.:

We the undersigned registered voters of Stoneham, Mass., represent that we have reason to believe that the returns of the election officers of said Ward or Town of the votes cast at the election on November 5, 1912, for Councillor 6th District, for Treasurer, Auditor and Attorney General are erroneous in this respect.

That John J. Hogan, Joseph L. P. St. Coeur, James F. Carens and George W. Anderson respectively for Councillor, Treasurer, Auditor and Attorney General were credited with less and Eldon B. Keith, John E. White and Octave LaRiviere and James M. Swift and H. Eustis Newton, candidates for the same offices with more votes than were actually cast for them.

We believe a recount of the votes cast in our said

Wards or Town will affect the election of one or more of these candidates of said election.

We therefore ask that the votes cast for the candidates as aforesaid be recounted.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, SS. Stoneham, November 8, 1912.

Then personally appeared Leander V. Colahan one of the signers of the within petition and made oath that the statements therein contained are true, to the best of his knowledge and belief, before me.

GEORGE N. GREEN,

Filed Nov. 8, 1912, 10h, 48m, A. M. Justice of the Peace.

CERTIFICATE

Stoneham, Mass., Nov. 13, 1912.

To the Town Clerk, Stoneham, Mass.:

Dear Sir:—On petition of Leander V. Colahan and others, praying for a recount of the ballots cast Tuesday, November 5, 1912, for Councillor 6th District, Treasurer, Auditor and Attorney General, after notice to all parties interested, the Registrars of Voters met in the Selectmen's

office Wednesday, November 13, 1912 at 2 o'clock in the afternoon for the purpose set forth in the petition; Leander V. Colahan representing the Democratic candidates and James A. Jones representing the Republican candidates; the blocks of ballots were delivered to the Board, opened and the ballots counted as petitioned for with the following result:—

COUNCILLOR, SIXTH DISTRICT

John J. Hogan	416
Harrie C. Hunter	407
G. Frederick Simpson	428

TREASURER

Eldon B. Keith	405
Joseph L. P. St. Coeur	397
Elmer A. Stevens	446

AUDITOR

James F. Carens	401
Octave A. LaRiviere	388
John E. White	442

ATTORNEY GENERAL

George W. Anderson	409
H. Heustis Newton	402
James M. Swift	443

(Signed)

HERBERT H. RICHARDSON,
FRED E. KERNS,
WILLIAM GARSIDE,

Registrars of Voters.

209 Males at \$2.00	\$418.00
22 Females at 5.00	110.00

Paid County Treasurer,	\$481.80	
Paid Town Treasurer	46.20	528.00

GEORGE N. GREEN, Town Clerk.

Selectmen of Stoneham.

Report of the Overseers of the Poor

To the Citizens of Stoneham:

The Board of Overseers of the Poor submit the following report for the year ending December 31, 1912:

After the election in March the Board organized with Walter C. Bancroft as Chairman, John G. Beede, Supervisor of the Farm, and Sylvester A. Lawrence, Clerk, James H. White was appointed Warden, and Mrs. White, Matron of the Almshouse. April first Dr. George W. Nickerson was chosen Town Physician for the year.

The farm and stock have been well cared for, and the inmates have received careful and considerate attention from Mr. and Mrs. White.

Our herd of cows have given evidence of quality and grade by the unusually large amount of milk produced. The income from the sale of milk was \$3412 over and above what was used on the Farm.

The improvements in the house have been a new Magee double range, and a water heater for the boiler separate from the range, a wash bowl in each of the inmates toilets, and electric lights.

The State visitor has on two occasions suggested better accommodations for caring for peculiar and difficult cases such as we have. The Board recommends that the old wash-house, situated on the north side of the main house be raised, repaired and heated from a small boiler under the west wing of the main house where the women inmates are lodged. The Board will ask an appropriation for the same.

The number of inmates January 1, 1912, was 11; admitted during the year 9; discharged during the year 9; leaving 11 as at the beginning of the year.

The town has been reimbursed for board to the amount of \$134, as will be also stated in the list of receipts.

INMATES, DECEMBER 31, 1912.

Report of the School Committee

To the Citizens of Stoneham:

The School Committee herewith submits its annual report for the year ending December 31, 1912.

The work of the schools has progressed along the same lines as last year and the progress made has been steadily in the right direction.

The committee has made such repairs as were possible under the special appropriations at the North School and the Dean. The coming year provision should be made for painting the South and East buildings, the repair of ceilings and windows in the same, and the completion of new floors in the Dean building.

At the High School the assembly hall has been retinted and the wood work refinished; the other rooms and corridors greatly need retinting and should be done during the coming summer. The outside woodwork of this building must be painted to preserve it.

Mr. Edmund Ogden and Miss Skinner of the High School faculty having resigned, the committee secured Mr. John B. Alley of Lynn, to take charge of the commercial department and the Evening School. Miss Josephine Leach, of Reading, was chosen to fill the position made vacant in the English and History departments. Both are giving excellent service.

The only other change in the teaching force was caused by the resignation of Miss Nora E. Weymouth as teacher of the eighth grade. Miss Ruth Hale was selected after

careful investigation to fill the vacancy. Visiting principals have endeavored to secure her services, and we feel sure that the selection will prove to have been wise.

The attention of the citizens is once more called to the great expense incurred through the waste of water due to the present system of sanitation in the High School. The financial loss is not the most serious feature: the matter should be remedied in the interests of health and we recommend an appropriation of \$5000 to cover the expense of changing the system in the boys' basement.

We recommend the appropriation of \$38,000 for the support of the schools and of \$150 for medical inspection as last year.

Report of the Superintendent of Schools

To the School Committee of Stoneham:

I herewith submit the annual report of the Superintendent for 1912.

Our teachers are striving toward a higher ideal, and the results in this endeavor to reach the individual are commendable. Several need a larger vision and above all I would urge a closer co-operation by the parents. In all cases where complaints have reached this office I feel sure that had the same confidences been given the teacher, and a clear understanding of the child's nature and surroundings existed much good would have resulted.

Through our Teachers' Club, and various gatherings of teachers we have sought to build up a united body acting together to establish the spirit of co-operation which alone will produce the truest success.

THE HIGH SCHOOL

At times there have been inquiries regarding the High School which indicate a lack of appreciation of the high standing our school holds. For many years our graduates have been admitted upon certificate to Smith, Wellesley, Mt. Holyoke, Dartmouth, Brown, Amherst, and other colleges of New England which admit by certificate. Reports from those pupils who have entered by certificate have been uniformly excellent. Pupils have entered directly from our school by examination Harvard and Technology, and have at once taken high rank. Of course all pupils in the school do not do work sufficiently high in character to enable them

to enter collegiate institutions either by certificate or examination, but we have striven in all cases to bring out the best in all our pupils and the records as shown in the following table speak well for the earnestness of our teachers.

Statistics showing number of pupils entering colleges or normal schools directly from Stoneham High School.

	Class of 1907	1908	1909	1910	1911	1912
Boston Univ.	1					1
Technology	3	1			2	
Normal	2	1	2		6	
Boston College		1	1			1
Holy Cross						1
Wesleyan		2				
Teachers' Col.		1				
Smith				1		
Dartmouth						1
N. H. State				1	2	
Mt. Holyoke						1
Simmons					1	
Tufts		1	2	2	1	
Harvard			1		2	1

Letters from the Harvard office express their gratification at the standing taken by Tredwell Smith who has received an award in English, and by Bruce Snow who was given a prize in French, both boys being awarded scholarships for merit in their work.

Visiting teachers, superintendents and others have frequently remarked favorably upon the spirit manifest in the class rooms, and I am sure that few schools outrank ours in their general success and moral tone. It is with pleasure that I refer you to the Principal's report for further details.

REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

Mr. Arthur B. Webber, Superintendent of Schools,

Dear Sir:—I have the honor to submit my eighteenth annual report.

Present Enrollment by grades

Grade IX	78
Grade X	69
Grade XI	51
Grade XII	38
Grade XIII	24

English Course	13
Special Course	7

 260

The different departments of the schools are doing excellent work. We have a superior corps of teachers and the pupils with but few exceptions are earnest and studious. It is quite probable these exceptions would make good in a School of Trades, or of Practical Arts. The Boston Trade School for Girls and the Boston Trade School for Boys are both open to Stoneham pupils and both give excellent training in different lines of lucrative work.

The present tendency of education is toward a close union of Academic and Industrial studies. I feel sure the time is not distant when the school day will be lengthened and divided into at least three parts; one for Academic studies, one for Shopwork and Practical Arts, and one for gymnastic work and play. This plan has met with wonderful success in Gary, Indiana.

I believe the school house should be the social centre of the town. It is supported by all and should be used by all for common purposes. In particular it should be the center of the social activities of the school children, safe-guarded by the presence of parents and teachers.

I would most earnestly advise and request that parents inviting pupils to their homes for social purposes see that such gatherings are carefully chaperoned and supervised, and under no circumstances permit their children to attend socials in homes where these usages of good society are neglected or violated.

I am glad to commend the excellent condition of the military company. Its officers are Captain, Raymond Longmore; 1st Lieut., J. Arthur Van Buren; 2nd Lieut., Earle Bockus; 1st Sergt., James Loughlin; Q. M. Sergt., John Haley; 2nd Sergt., Paul Keith; 3rd Sergt., Lester Freeman; 4th Sergt., William Snow; 5th Sergt., George Hansell; Corporals, Martin, Holden, Ryder, Ahern, McDermott, Stone, Fowle, and Davis. The winners at the annual prize contest were 1st, George Hansell; 2nd, Joseph Montague; 3rd, Ralph Temple. Herbert Holden received the honorable mention medal and also the Stewart medal for soldierly bearing. The Connolly prize to the Freshman showing the greatest proficiency in the manual of arms was awarded to Curtis Hamill.

Our thanks are due the Class of 1912 for the beautiful picture "Chivalry" placed by them in our assembly hall.

In behalf of the teachers I wish to express our deep appreciation of the helpful spirit and cordial co-operation of citizens and school officials.

Respectfully submitted,

CHARLES J. EMERSON, Principal.

ENROLMENT.

The number of pupils remains essentially the same as last year. The distribution shows some change, bringing the crowded condition in the sixth grade this year; gains have been made in the earlier grades, but losses were large in the fourth, fifth and seventh grades.

The losses in the lower grades are accounted for by removal. The falling off in the seventh grade is unusual; yet has been about the same in this town since 1906. This

must mean that our upper grades do not offer the sort of education which a large part of our citizens desire for their children.

DIFFERENTIATION AT THE SEVENTH GRADE

The trend in education today is toward a broader course in the upper grammar grades. Stoneham is ideally situated to adopt this step in that we have three classes in the upper grades already. The one thing deterring us is the lack of money available. To offer a differentiated course in these grades would mean that the annual training department would have to be open every day for at least six hours. The work then would require 10 hours per week for every boy following the manual course, his work to be maintained at a degree of efficiency which would be acceptable in an apprentice school. For girls a course in sewing and domestic science would have to be planned along the same lines. The commercial department of the High school would care for those selecting the course leading to office work, while the third division, or those intending to pursue collegiate training, would give more attention to languages which would enable them to get a fair degree of mastery of one modern tongue at least.

MANUAL TRAINING.

The increase in our seventh grade next year will force us to open our manual training and sewing classes one half day more than is now done, and as it is difficult to secure competent instructors for the half day I would advise the employment of both teachers for an extra day and the extension of the work through a voluntary class one afternoon a week from the High school pupils who have had the preliminary training.

The department has through the generous response of your committee secured the immediate addition of a circular saw and a lathe. This year the work in equipping the

schools with apparatus and fixtures, which can now easily be made with these features added to the equipment, has been decidedly handicapped

The exhibit made at the Reading-Wakefield Fair was highly creditable, though we were unable to show as many large pieces this year because of the fact that much of the time of our best workers was devoted to building a case for the drawing department and kindred equipment.

RETARDATION.

Last year I gave certain tables showing the number of pupils retarded according to the age of the child presuming the entrance age to be 7 years. A more definite study was made this year to endeavor to ascertain the exact amount of retardation, the number of years which the child had actually attended school being sought. The results of this study are to be found in Tables I. and II.

Table I.

SHOWING NUMBER OF PUPILS RETARDED.

	1 year	2 years	3 years	4 years	Per Ct.
Grade I.	10				9
Grade II.	28				30
Grade III.	7	2	1		5

Number of repeaters			
who entered at five			
years of age	9	6	5
Number repeating be-			
cause of mental			
slowness,	25		
Because of moving			
from place to place	13		

COURSE OF STUDY.

The course of study is in process of revision in the light of these studies. A rational course adapted to the real ability of the normal pupils in the different grades is one of the prerequisites to any plan of grading and classification that is to meet the needs of individual pupils, and it is our hope that with the careful study of conditions by the teachers, in conjunction with the superintendent, such a course may be worked out this year. To further this end the Teachers' Club has been engaged in the study of Brayer's Briefer Course in the Principles of Teaching, and special grade meetings are held frequently for the discussion of the work and courses of study.

The course in Arithmetic as worked out by Superintendent G. M. Wilson, of Connersville, Indiana, after two years intensive study with his teachers has been the basis of our discussion of the arithmetic work, and we are agreed that the work is the most careful and helpful of those available. Facts and principles of value within the range of the normal pupil's comprehension are made fundamental and the course is based on the theory that power gained through success in doing many less difficult but essential things is as valuable as the same power gained through failure to do difficult things.

PROMOTIONS

This question is the most perplexing which the teacher

has to face. Last year we endeavored to loosen up the lines in that pupils of like ability were classed together in the upper grades, and the brighter section given additional work in the endeavor to advance those capable of doing the work in less than the regular time. Three pupils entered the ninth grade from the seventh and have made fair records there; others were given permission but for various reasons failed to take advantage of the opportunity. This year the classes were reorganized at the end of the first term and those who failed to make good for that period were taken back in review and thus the principle of half yearly promotion may be considered established.

The half year interval is sufficiently short to facilitate the promotion of individuals and sufficiently long to prevent too frequent readjustment of class work. It allows the promotion of many pupils who although able to skip the half year of work would be unable to skip that of a whole year, and also obliges those who have been denoted to repeat only a half year of work.

In all cases the child's best interests are regarded. The old idea that because a pupil has failed in one subject he can not go on has been set aside as far as possible. In those studies such as arithmetic or language where the success of the pupil depends upon the mastery of certain fundamentals of the year previous it is manifestly impossible to promote any one who has the ability and yet has failed to make good; but in those subjects which are not of sequential nature the effort made by the pupil has been a determining factor and the greatest care is given to safeguard the child's best interest.

COMPARATIVE TESTS.

A group of kindred spirits have carried on a series of comparative tests, and in addition the Courtis Standard Tests were given the pupils of the upper grades in February and June of last year. In all these tests our schools have

shown a favorable standing in comparison with others, and the results of the Courtis Tests as shown in Table III would indicate, that our schools are of average ability.

Table III

Showing results in Courtis Test in Feb. and June, 1912.

HOME WORK

The point most emphasized by this testing process has been a spirit of carelessness upon the part of the pupils. It is here that the home can bring us the greatest aid by keeping in touch with the school, and creating a desire upon the child's part to do his very best. If children would give heed and seek to give their best work at all times there would be little need of outside work. Essentially all home or afterschool work assigned this year has been given in an endeavor to correct the habits of carelessness which appear in the daily work.

ORGANIZED PLAY

In March the Teachers' Club was addressed by Mr. Ernest Hermann, Director of Playgrounds and Instructor of Physical Education, in Cambridge.

Following this talk the teachers undertook the development upon the school grounds of an organized recess. The feeling has been growing that the child should not be made to play, and with this attitude upon the part of the parents no one has been forced into the games. The majority of the children have been interested and more good has come from the recess than previously. The lack of intelligent direction is felt to be the leading drawback. Our teachers have entered into the work to the extent of their ability. It would certainly repay the town in the future to employ a director at least on part time as is done in several places. Such a director would outline the work in corrective gymnastics and recreative play, instruct the group leaders and oversee the work from time to time.

The method employed at Gary, Indiana, commends itself strongly as an ideal not beyond the reach of our community. This is essentially the employment of one teacher in each building who is specially trained in playground activities who devotes an hour each day to each grade. If the town would send one teacher to the school for social

workers during the summer the expense of educating such a teacher would not be excessive; or better yet, if those vitally interested in the question of caring for the best interests of the young men and women who nightly crowd our streets and moving picture places could be brought together to establish a community house equipped with gymnasium, swimming pool and game room, and this body jointly with the school authorities employ throughout the year a director who would train our teachers here at home and direct the work in the schools the problem would be more easily solved.

The spirit which prevails among our young people today is such that a development of true team play and the spirit of good clean sportsmanship, is greatly to be desired. To secure this, expert guidance is essential. Nothing will function more in the child's life as a citizen than this training, developing as it does quick, accurate response to direction, clear thinking, and the upbuilding of bodily strength.

EVENING SCHOOL

Following the vote of the town at the March meeting an Evening School was opened in October. The registration was entirely elementary as the appropriation did not permit of opening both elementary and secondary departments. If the school is continued another year, I would recommend the increase of the appropriation to cover opening the typewriting room, and to increase the number of sessions to three night weekly for the twenty weeks. Several are now attending school out of town and it is possible to save them the expense and the waste of time at a cost of equipping the room for light and the addition of a teacher if the demand was sufficient to require an extra teacher.

The attendance, as shown by the report of the Principal, indicates a spirit of interest greater than is usually manifested in such schools, and a desire upon the part of the attendants to make the most of their opportunities.

Teachers:—John B. Alley, Principal; Vasilike Vaitses, Marie Vlasto, Inez Kilton, J. A. Whipple, Mrs. W. F. Barnes, Ruth Hale.

The pupils have shown an earnest desire to grasp every opportunity to better their conditions, and their attitude and spirit has been very pleasing.

The work has necessarily been very elementary, consisting chiefly of English and Writing.

The work in English has been along the lines of reading and understanding simple matter, such as will enable the pupils to become intelligent citizens.. During the latter part of the term they have received instruction in Civil Government. The pupils have enjoyed this part of their work, and have manifested a great desire to gain all the knowledge possible.

The lessons in Writing have had to do principally with the formation of the letters. Marked progress has been shown in this work.

To a few pupils, who are farther advanced, work in Arithmetic and Grammar has been given.

WIDER USE OF THE SCHOOL BUILDING.

The purchase by your committee of the Thompson reflectoscope for the use of the schools will materially strengthen the work in language, history and geography. There is no question of the value of appeal through the eye. More lasting impressions in geography and history are made

by the use of pictures than in any other way and the pupils gain confidence, power of expression, and a far greater mental development by the exercise conducted with the aid of projection apparatus than can otherwise be gained. This accession to the school equipment should lead to a much wider use of our school building. Illustrated travel talks can easily be arranged which should appeal to many not connected with the schools, and as soon as the law will permit the use of films under reasonable conditions, the addition of the motion picture can be made and a still further step in the right direction will be possible.

In the past year many cities and towns have opened their school halls for public discussion of community questions, and social gatherings and several have sought the same benefit from our school. Should this be deemed wise it might bring about a better condition of affairs as such gatherings would of necessity be under restrictions tending to give better hygienic conditions, and perhaps higher moral surroundings. Many who advocate such wider use of the school plant do not consider the matter of expense. It costs something for extra heat, light and service, and this must be met through other funds than the school appropriations. Until specific arrangements are made by the town for such expense the further use of the school building must of necessity be limited.

In closing I desire to thank the committee, the citizens-at-large and the teachers for the courtesy and loyal support I have received at all times.

Stoneham, Jan. 30. 1913.

Respectfully submitted,

ARTHUR B. WEBBER.

REPORT OF THE SUPERVISOR OF DRAWING

Mr. Arthur Webber, Superintendent of Schools,

Dear Sir:

The drawing has been carried along in much the same way as during the preceding year. Of course it has been

necessary to introduce some new features, but these have not formed startling innovations, but have usually been new methods of teaching subjects with which the pupils were already more or less familiar. For example, a few years ago, we taught the art of lettering in the higher grades by having the pupils print and color mottoes, but now we find it advisable to have them design posters. During the last year, they have made many posters to advertise concerts or entertainments which have been given in town.

Last Spring the Emery Picture Company loaned us a large number of pictures which were placed on exhibition at the High School. Tickets of admission were sold by the pupils, and the proceeds were expended in pictures for decoration of our schoolrooms. The exhibit was open two afternoons and two evenings, and different schools attended and took charge of the hall at different times. The Emery Picture Company furnished a lecturer for one afternoon, Miss Kilton of the East School explained the pictures to the children on the second afternoon and during the High School evening; during the evening when the Dean School had charge I gave short talks to interest the pupils in a few of the most important works of art.

Even if, by the sale of tickets, we had not obtained so many pictures for enjoyment and instruction in the schoolrooms the exhibit would yet have been well worth while, for it gave the children the chance to see a large collection of good reproductions of paintings. Familiarity with the best in art is surely a thing for which we should earnestly strive, and we should never forget that all are not fortunate in the possession of fine pictures in their homes.

Last June an exhibit of a very different nature was held at the High School Hall. The best efforts of the pupils were represented, not merely in the department of drawing, but also in manual training, sewing, and general work. The drawing was arranged by grades, and the four walls of the hall were covered for a height of five or six feet. In the

lower grades, where there are several rooms of a grade, the name of a pupil was generally shown but once. When the classes were small and when there was only one of a grade, it was necessary to use a name more than once in order to represent the year's work, but even then, care was taken to show a number of names twice, rather than a few names a large number of times. Such an exhibit gives the public an opportunity to know definitely just what is being accomplished, gives the teacher and pupils a broader idea of the work than they can possibly obtain from what is done in their special grades, and is thus a great incentive to more earnest efforts.

Last fall a portion of the exhibit was taken to the Wakefield-Reading Fair where it excited favorable comment, a first prize being awarded the schools.

I have enjoyed the work in our schools very much during the past year, and heartily thank committee, teachers, superintendent, and all who have helped make my task here a most pleasant one.

Respectfully submitted,

EVELYN F. CROSS.

REPORT OF THE SUPERVISOR OF SEWING.

Mr. Arthur B. Webber, Superintendent of Schools:

Dear Sir:—

During my second year as Supervisor of Sewing in Stoneham, I have been gratified to note a greater progress in the sewing and a better quality of work than was obtained last year. From my first year's experience, I have endeavored to use only such models as have proved most beneficial, that is, models which are practical, bring in the essential stitches, and which interest the children.

After the stitches were learned in the sixth grade, they were applied to a sewing bag, and then to a flannel petticoat.

In the seventh grade, a fancy sewing apron was made and they are now making night gowns

Perhaps the greatest interest has been centered in the eighth grade, for in this grade the pupils are making dresses for themselves. They are made of inexpensive wash materials and in most cases the cost of the dress has not exceeded sixty cents.

Patching and darning are taught in all grades.

Respectfully submitted,

MARION H. PRATT.

Stoneham, January 21, 1913.

Mr. A. B. Webber, Supt. of Schools,

My Dear Sir:—

I have the honor to submit the following report of the work in Manual Training.

The work has been conducted on the same general lines as heretofore. A great deal of practical work has been done and more and more each year is being required of the department for the other schools. At present we are requested to make a case for the prize cups for the high school, a large case of pigeon holes for the pupils' drawings, in the grades, a set of thirty looms for weaving, a large doll house for the East school and pigeon holes for rubbers, etc., probably for three schools.

As each class has a session of from one hour to one and one half hours per week, an article which would ordinarily take two days to make, requires fifteen or twenty weeks to finish. The generosity of the School Committee in furnishing the department with a circular saw and a lathe, run by electric motor, has made it possible to do more of this work, and while the outlay was considerable it will gradually repay the expense.

I have for several years called attention to the growth of this department and this year has been no exception. The number of classes and pupils is steadily increasing. To meet this increase the time per class has been cut, until some of the classes now have less than one hour per week,

instead of one hour and one half as when we started. Some of the recommendations of last year have been kindly received and favorable action taken, for which we are all sincerely thankful and hope the near future will prove that the action was wisely taken.

Sincerely,

WALTER F. BRACKETT.

Mr. Arthur B. Webber,

Supt. of Schools,

Dear Sir:—

I herewith submit my second report in music.

This year special attention has been paid in all grades to individual singing, for we expect the boys and girls to be able to read with a fair degree of accuracy, at least, when they leave school. Just as long as music in the grades is looked upon as a mere recreation and not as a study the fundamental principles become useless as far as the correct application of them is concerned, so, those who are deficient in sight reading have had special drills and a sight singing system was introduced in some grades to supplement the regular music book. It will give the pupil the practice he needs, and will at the same time give him confidence in singing alone, which by the way seems to be a quality that is found wanting in most pupils. It will also give him drill in music writing as this is being carried on with the system and will tend to fix certain important technical facts.

Odd conditions have continually presented themselves. After a week or so of school in September it was discovered we were expecting too much of a certain grade, the pupils were unable to handle the work that similar grades were doing satisfactorily. To be sure it was an exceptional case but they needed a very thorough review and consequently the work in that room is being especially arranged for the class. It was discouraging at first but a vast

general improvement is being shown both in the music itself and in the class spirit, and we feel this little survey will not be wasted; another year will find them more confident. Some of the best classes contain a few such pupils and these are the ones who need the individual attention. One teacher divided her class and placed the deficient ones together where they could be easily given special work and very soon she will not need to leave the division there.

Certain children are found who are called "tone deaf," or monotones, but they may not all be hopeless cases. By special drill and attention the teachers in the lower grades are trying to solve the tonal problem so that fewer monotones will be passed on to the upper grades. Even in these grades it may not be too late to mend the difficulty for in one class where a surprisingly large number of these children were found, the list was reduced to three in two or three months' time.

The second grade as a rule are doing very good work also the sevenths. Book four, a more advanced series of the course in use in the schools, was introduced into the seventh grades this year, and the pupils are doing very creditable work. The material is both instructive and interesting as many of the songs are adaptations and arrangements from noted opera and oratorio works. The Laurel Music Reader is being used successfully in the eighth grades with a view to preparing the grade for High School chorus work. These selections are of a high order and are affording excellent material.

In the High School I strongly advise a change in the chorus arrangements. First, to make the music elective, then, compulsory. In other words the pupil who desires to take chorus practice for forty minutes per week may choose to do so, but by so doing he places himself under an obligation to be present regularly in the assembly hall, just as much as he is required to attend any other recitation during the day, such as German or Chemistry. Then, only

those who have sung in the chorus during the year shall be expected to sing at graduation. At present, music is optional in the two upper classes and the pupils in those classes attend or absent themselves from the chorus at pleasure. We look to the upper class boys for a good bass or tenor part for they have the more mature voices, contrasting in volume and quality with those in the lower classes whose voices are changing and have a range of less than an octave. The latter might choose not to elect music during this changing period. We dislike to call them useless to the chorus yet every one knows they do little singing because they are so handicapped.

The subject of appreciation in music is being discussed in all educational circles today because we must cope with the conditions of the times. The so called "popular music" is doing a deal of harm to the pupils in our schools; it is hard for them to hear anything interesting in the classical, they prefer something lighter. But the school systems will never descent to that level; the pupils must be brought up to the standard set by Beethoven, Schubert and the hosts of others. The average High School chorus probably cannot do justice to Wagnerian opera yet with the proposed plan in working order, the pupils may hear selections from the great works by noted artists in their own assembly hall. In places where this has been tried, a decided change has been noted in the preferences of the scholars in a very short time.

The year has been a very enjoyable and inspiring one, it has been a pleasure to carry on the work, and there is not a case where the teachers have not shown the highest concern on the subject of music. With such cooperation the future spells success as well as the past.

Respectfully yours,

MABELLE PROCTOR COUNCE.

Report of the Commissioners of Public Works

To the Citizens of Stoneham:

The following report is submitted.

The office has been supplied with a roll top desk, new plan rack, index for plans and meter readings. A railing has been set up to divide off the office.

There has been about two hundred new plans added to the department during the past year. The plans have been indexed and filed away. Record plans have been made of all construction work done during the past year, which have also been filed away.

Under the direction of Superintendent Dexter G. Pratt, a plan has been compiled of Main Street from the property of N. B. Fisk to Elm Street, showing the location of all poles, Edison and Telephone conduits, sewers, water pipes, gas pipes, surface drains and catch basins. This plan, when completed, will be of great value to the town.

All orders for services, sewer, water or meters are made in triplicate and numbered. One part goes to the Clerk of the Board, one to the Foreman to make the return on, and the other is placed on file in the Superintendent's office for reference, thereby holding the signer responsible for the work and labor.

A great deal of time has been spent along the line of system and we feel that the office has been placed on a good footing.

The Superintendent has furnished his own automobile for his transportation which has given him quick service and the best of supervision over the work under construction.

Cost of maintenance to town \$1.12 per day, six days per week.

WATER CONSTRUCTION

New hydrants have been installed on the construction work where it was deemed necessary for the best fire protection. Hydrants were placed as follows: Elm street near Wakefield line; Corner Norval avenue and Garden road; Main street near Library; Corner Wilson road and Main street; Peabody road near Rowe Hill road; Marble street near Hill street; Pond street opposite residence of C. H. Hayward.

Water construction work was done wholly with town labor.

Following is a table giving general information for construction of 1912.

WATER MAINTENANCE

The water department has been operated under the strictest of economy. The freezeups of January last increased the cost of maintenance by about \$2000.00. Other expenditures have been necessary as several of the hydrants four in number, have given out during the year and were replaced with new Corey hydrants. Following are the locations: Gilmore street; Main street at Montvale avenue; Main street at Hersam street; Franklin street at Plaza avenue.

The portion of the water plant located at Haywardville was taken over from the city of Melrose, which included the New England Sanitarium, which is one of the largest individual water consumers we have at the present time. On taking over this proposition it was necessary to place a four inch compound meter with fitting and meter box at the Sanitarium for the purpose of having an accurate measurement of the water used. This meter and fitting cost about \$300.00.

The services are being examined all over town for leaks and out of five hundred and twenty-one examined to date, eleven were reported leaking which have been attended to.

Two of the teams and pung have been repaired, painted, and put in first class shape. The painting was done by Charles R. Farrin.

During the past year three hundred Nash meters have been purchased and installed at a cost of about \$3000.00, leaving about four hundred meters to complete the metering of the town.

There has been a covered push cart purchased for the transporting of the meters and tools from house to house, which has saved the cost of an extra team while installing meters.

February first and each month thereafter, the meters will be read and water consumers will be notified if there is

an excess amount of water being used by them or their tenants, then waste of water by leaky fixtures may be overcome. In the past the meters have been read but twice a year. At the last reading some twenty-eight meters were reported as not working. These have been replaced by other meters and repaired. Your attention is called to the following table:

Number of services in use January 31st, 1912,	1557
Number of meters in use January 31st, 1912,	1105
Number of meters installed in 1912,	279
Number of fire hydrants in use January 31st, 1912,	144
Number of stand pipes for street watering January 31, 1912	5
Number of watering troughs,	1
Number of drinking fountains,	1
Number of fire services,	3
Number of breaks in cement mains repaired,	12
Number of joints in iron pipe repaired,	3
Number of service leaks in streets repaired,	35
Number of services in streets cleaned,	6
Number of services on private premises cleaned,	1
Number of gates re-packed,	8

All hydrants have been oiled, repaired and kept free from snow and ice. New hydrants have been replaced for those that have lost their usefulness to the town.

SEWER DEPARTMENT

The sewer has been extended on Stevens street, the work being done by the town. The sewer was extended on Gould street and Columbus avenue, the work being done by A. Williams & Company, contractors, Boston. Sewers were also built on Peabody road, Middlesex road and Rowe Hill road, the work being done by A. Baruffaldi, contractor, Somerville.

The year's work has been done under the supervision of the inspector and is satisfactory in every way.

Following is the schedule :

SEWER MAINTENANCE

SEWER CONSTRUCTION 1912

STREET	SIZE	DIST.	TOTAL COST	PR FT.	APPRO.	UNEXP.
Columbus ave.	6 in	325	\$368.41	\$1.13	\$450.00	\$81.59
Gould	8 "	373	577.01	1.55	1000.00	422.99
Middlesex rd.	6 "	550	826.79	1.51	2475.00	1648.21
Peabody rd.	6 & 8 "	607	1729.27	2.86	2450.00	720.73
Rowe Hill rd.	6 "	300	816.87	2.73	1250.00	433.13
Stevens	6 "	130	249.28	1.92	250.00	.72

SEWER MAINTENANCE.

The Sewerage System has been thoroughly cleaned and is in good condition. There have been five stoppages on services reported which have been caused by roots entering the pipes. In such cases it is necessary to excavate and remove the roots.

CHESTNUT STREET

Cedar avenue to Montvale avenue—out of the appropriation for this work there was an edgestone laid from Hersam street to Gilmore street on the east side with a cobble gutter top dressed with tar. The sidewalk was brought up to the grade of the edgestone and given a pitch of one quarter inch to the foot of the curb to keep the water from standing on the sidewalk. There is a grass plot between the walk and curb left to set out trees. Opposite the property of Mr. Childs and Mr. Halpin the tar walk was raised about eight inches to conform with the grade of the centre of the street and also to prevent any further damages to Mr. Halpin's property by the wash of heavy rains. The gravel used in top dressing the street did not cost the town except for spreading. The Edison Company delivered the gravel from Main street at the time they were laying their conduits and placed it at the direction of the Engineer.

The crosswalk at the head of Hersam street crossing Chestnut street was removed. This walk has caused a large amount of washouts by forcing the water from Cedar avenue to flow on the east side of Chestnut street. Since the removal of this walk there has been no trouble and the material has held its position through the recent storms.

CEDAR STREET

There was a new bridge built at the Woburn and Stoneham line, the old one having caved in. This work was done by T. A. Mulroney. The elevation of the bridge was raised one foot to prevent water standing and rotting the timbers. Half of this bridge is in Woburn who will stand its proportion of the expense. Total cost of bridge, labor, lumber and supervision, \$100.00.

COTTAGE STREET

Cottage street was resurfaced from Montvale avenue to the property of William J. Corcoran, the material being taken from Montvale avenue while under construction. The cost of this work was about \$75.00. The sidewalk on Cottage street was built from Montvale avenue to Flint avenue of gravel taken from Wright street when excavating to lay new tar walk, at a cost of about \$10.00.

EAST STREET SIDEWALK

A cinder and gravel sidewalk has been constructed on the south side of East street from Spring street east about two hundred and fifty feet at a cost of about \$25.00.

FLINT AVENUE (ARMORY)

The appropriation for the tar walk was increased that edgestones might be set and the grounds beautified. This work was done and a drainage system installed to take off the water from the roof. There is a space three feet wide between the edgestone and the tar left for the planting of

trees which were set out by George M. Jeffs, Tree Warden, and contributed by Mr. B. H. Cogan of Flint avenue.

FRANKLIN STREET

Melrose line to Pine street was top dressed with Tarvia B. on south side. The trench of the Malden and Melrose Gas Company, which had settled, increased the cost of the work, for which we have made proper charge. It was necessary to discontinue the work on this street at Pine street as the Tarvia appropriation was exhausted.

GREEN STREET

Green street was re-shaped and gravel-dressed from the stand pipe to the north about one thousand feet, which has been in very good condition this season considering the grade and material available for the work. This work cost about \$150.00.

MAIN STREET

A gravel walk has been constructed on the west side of Main street from Peabody road to South street and top-dressed with pea stone which affords better facilities to and from Spot Pond.

HILL STREET

Hill street has been rebuilt from Marble street about two hundred fifty feet north. The ledge was removed and the two old entrances done away with. The road is of good gravel construction with a subgrade of chip stones taken from the blasts. The construction work was let to Richard Philpot of Melrose, he being the lowest bidder. Later he gave up the contract and the same was given to the next bidder, Joanna Meegan of Stoneham.

HANCOCK STREET

The brook under Hancock street, near Summer street,

was cleaned out and the outlet enlarged to prevent the water backing and filling the cellars south of Hancock street. At this point there are two catch basins which have a large amount of surface to drain which caused the narrow outlet to choke.

HERSAM STREET

Hersam street from Main street to Wright street was resurfaced with gravel delivered at the expense of the Edison Company when laying conduits on Main street and spread by the town, which has improved that portion of the street at an expense of about \$40.00.

ISABELLA STREET

Isabella street was top dressed with material from Perkins street which improved the surface of the street by filling up the large depressions. The cost of this work was \$12.00.

MAIN STREET

Main street has been in very poor shape for the past season, the only work being done to keep it passable for traffic, as the Edison Electric Illuminating Company and the New England Telephone and Telegraph Co. have been at work laying conduits for their cables. The Malden & Melrose Gas Light Company have laid a new twelve inch main from Marble street to Elm street, which will give much needed service. It is useless to rebuild Main street until the cement water pipe has been replaced with cast iron pipe from Marble to Elm streets. There will be an article in the Warrant for 1913 to cover this work. Main street repairs cost about \$137.00.

MARBLE STREET

Main street to Winchester line was top dressed with Tarvia B. on the south side the total length. The north side

was dressed from Park street to town line. It was necessary to make several large patches as the surface of road had begun to ravel.

MONTVALE AVENUE

Main street to Boston & Maine Railroad crossing has been macadamized. The south side was constructed with about three inches of macadam and given two applications of 40 per cent. asphalt and oil, the asphalt having binding qualities, the oil preventing the dust, which gave very satisfactory results. The north side of the street was constructed the latter part of the season, the road being laid to grade with six inches of stone. This portion of the road is a water bound macadam. Owing to the grade at Wright street, the new work has ravelled from that point to Chestnut street. The grade of the street makes it very difficult to bind the stone. It is intended to give this section of the street a coating of Tarvia in the spring, which will give the road an excellent surface. Materials excavated on this portion of the work were used on Montvale avenue from Lindenwood cemetery west to the Woburn line. The sidewalk was also raised to prevent water standing on it, giving the west portion of the avenue a much needed improvement.

PERKINS STREET

Perkins street was built as ordered by the County Commission. From the Melrose line to Orris street there has been laid a six inch Tarvia bound, macadam road. The top dressing is to be put on in the spring which will give the road a much more finished appearance. There were four catch basins installed on this portion of the road to prevent washouts. From Orris street to Franklin street, the road was top dressed with three inches of blue gravel which has caused much trouble. This gravel was taken from the pit off Ferdinand street. The road was oiled to prevent dust which was very satisfactory. Owing to the poor gravel the

road is very muddy after each rain. A special effort was made to purchase gravel for this work, but none could be bought in that vicinity.

PINE STREET

The catch basin south of Franklin street on Pine street was replaced with a new basin of brick six feet deep and five feet in diameter with a "D" cover and frame. The drain leading from the basin was relaid to the point where it enters the brook, a distance of about one hundred feet, and has given very good service.

POMEWORTH STREET

At Pomeworth street and Williams street there was a circle of paving blocks laid to prevent the teams from destroying the lawn at this point, the corner being cut away for four feet on private land. The cost of this work was about \$10.00.

SPENCER STREET

Spencer street, from Franklin to Hancock streets, was constructed with gravel road bed fifteen feet wide, the gravel being given to the town by A. P. Rounds, Contractor, when building house on corner of Maple and Wright streets. This street was in great need of repairs and has very heavy teaming to and from the Stoneham Tanning Company.

SPRING STREET

Spring street was repaired from two hundred feet south of Eustis street to East street with gravel purchased from the Stoneham Japanning Company. Several large boulders were removed and depressions filled on Spring street near Boyntonville. I would suggest that a surface drainage system be installed on this street which will drain the area from Eustis street to East street and Wakefield line. Such a system would cost about \$1500.00.

STEVENS STREET

Stevens street was filled in, making the street free from large depressions, with refuse stone from the crusher at a cost of about \$10.00.

WARREN STREET

At the corner of Warren and Wright streets a circle of large paving blocks was installed to prevent teams from damaging the tar. The tar was cut away about two feet from its original position and after the circle was laid, the tar was replaced. The cost was about \$15.00.

WRIGHT STREET

At the corner of Wright and Gilmore streets a circle of large paving blocks was laid to prevent teams from cutting the corner and preserving the new tar walk installed at this point, the cost being about \$10.00.

SWEETWATER BROOK

This brook was cleaned from the Stoneham Tanning Company factory under Franklin street to Pine street and under Pine street to a point where it enters two twenty inch cast iron pipes, which run across the Boston & Maine Railroad location to a point at the round house. From this point the brook was excavated three feet deep and four feet wide to Gould street where it goes under the street. The work of cleaning was carried to the north side of Pome-worth street and ended. This brook was also cleaned under Central street extension and across to Main street.

STONE CRUSHER

There was an appropriation of \$200.00 for repairs to the stone crusher. The bins were housed in and covered with roofing paper to keep the dust nuisance under control and keep the weather from the screens. There was a new platform built for receiving the stone, the old one having rotted

away. This account is slightly overdrawn, owing to the fact that upon completion of the platform and roofing the bins, the boiler house caught on fire, necessitating the building of a new roof, which was not covered by insurance. The plant is in fairly good condition and for about \$100.00 can be put into first class shape. The total output of the plant for the year 1912 was 2528 tons of crushed stone at a cost of eighty-seven cents (87 cents) per ton. This price of eighty-seven cents includes the cost of teaming, labor, coal and repairs to machinery. Stone, if purchased from outside parties would cost on cars F. O. B. Stoneham, number one, \$1.05; number two, \$1.10; number three, \$1.15 per ton.

STREET RAILINGS

The street railings were painted all over town and general repairs made. This work was done out of the Highway account, there being no appropriation for the same.

STREET SIGNS

During the past year gold and black signs have been placed at the Main street end of branch streets at a cost of \$5.00 per sign, this price covering signs, posts and setting. At the junction of main thoroughfares to neighboring towns, direction signs were erected at a cost of approximately \$6.00 a set. In other parts of the town black and white sanded signs were erected where it was deemed necessary. I would recommend that gold and black signs be located at the streets branching from the main thoroughfares leading to neighboring towns, such as Elm, Franklin and Marble streets. Signs of this kind would greatly improve the appearance of these thoroughfares, which, at the present time are poorly equipped. We believe that this work should eventually be continued throughout the town.

WATERING CART

Watering cart No. 1 was painted and overhauled this

season and is in good condition. Cart No. 2 is in poor shape, the tank has rotted out but the running gear is in good condition. We were very fortunate to have been able to have borrowed a cart from the city of Melrose, which was given one coat of paint and returned at the end of the season.

STEAM ROLLER

The steam roller was in poor shape this fall when put up for the winter. It was necessary to retube the boiler and some small repairs will have to be made in the spring.

PORTABLE BOILER

This boiler has been stored under the Armory for a number of years. It was inspected and licensed to carry ninety pounds of steam and has been in service through the season.

STEAM DRILLS

There are two; one a large Rand Ingersol, which was in use most of the season. The other is a Little Giant which is light and only fit for quarry work. These drills are both in good condition.

H. H. PATTEN,
L. V. COLAHAN,
J. A. JONES,

Board of Public Works,

Report of the Board of Health

To the Citizens of Stoneham :

The Board of Health respectfully submit their report for the year ending December 31, 1912.

We are pleased to report that the health conditions of the town have been exceptionally good during the past year.

We would call the attention of householders to the necessity of providing airtight receptacles for their swill. The importance of this request is that the latest investigations by the very best medical authorities have proven beyond a doubt that flies and mosquitoes are great carriers of disease. Infantile paralysis and malaria are chiefly due to these pests. From all quarters comes the cry of doing away with flies. The only way to do away with them is to do all in our power to prevent their breeding. Malaria is due to the bite of mosquitoes and their breeding places are in stagnant waters, i. e. swamps, etc.

Infantile paralysis. It has been proven that the house fly is one of the commonest sources of this infection.

In the interest of public health we would recommend the extension of the sewage system throughout the town.

We would recommend that the town take some action regarding the restriction of objectionable manufacturing establishments and additions thereto.

The necessity for a town public dump is more urgent than ever before.

For other details of our work we refer you to the reports of our agent, George N. Green, Milk Inspector Dr. George H. Allen, Slaughtering Inspector Dr. George H. Allen, In-

spector of Plumbing Andrew J. Burnett and contractors W. S. Collins collecting swill, John Doherty removing ashes. They all have done their work faithfully and well.

Respectfully submitted,

MARTYN D. SHEEHAN, M. D.,

GEORGE A. HINCHCLIFFE,

JOHN C. C. SMALL,

Board of Health.

Stoneham, Mass., January 1, 1913.

To the Board of Health,

Stoneham, Mass.

REPORT OF MILK INSPECTOR.

To the Board of Health, Stoneham, Mass.

Gentlemen:—I beg to report the following places where milk is raised and sold and their conditions.

No. of Venders with teams	11
No. of Places where milk is raised as a business	10

Where they keep one or two cows and sell to the neighbors one or two quarts of milk a day and have got a license, the conditions are very good for the larger part. Most of the owners are improving their premises as fast as you can

reasonably expect. I hope to have them all in good condition in the near future.

Conditions where milk is raised are gradually improving and I have tried to do my duty without fear or favor.

Very truly yours,

GEORGE H. ALLEN.

Inspector of Milk.

REPORT OF INSPECTOR OF PLUMBING.

Stoneham, January 1, 1913.

To the Board of Health, Stoneham, Mass.

Gentlemen:—I submit the following as the annual report of the plumbing inspector for the year ending December 31, 1912.

Number of applications received	98
Number of permits granted	98
Number of new buildings connected with sewer	13
Number of old buildings connected with sewer	23
Number new buildings connected with cesspool	12
Number old buildings connected with cesspool	4
Number of sinks installed	87
Number of trays installed	44
Number of water closets installed	115
Number of lavatories installed	74
Number of bath tubs installed	55
Number of new traps installed	5
Garage floor drainer and trap	1
Urinals	3
Shower baths	2
Lead bends replaced	1

Total number of fixtures installed	387
------------------------------------	-----

Respectfully submitted,

ANDREW J. BURNETT,

Inspector of Plumbing.

Mr. George A. Hinchcliffe, Stoneham, Mass.

Dear Sir:

As the custom has been since I have had the contract for the removal of garbage in the Town of Stoneham to let you know annually the standing in the matter, beg to advise as follows:—

First of all and most important is the fact that complaints have been very few in the last year. The complaints have been investigated and in some cases the investigation shows that the party who made the complaint was at fault and not the teamster.

For instance, a party giving their swill to an outsider or an outsider stealing it, when he disposes of his pigs and has no further use for the swill the party giving it finds they have to resort to the regular collector. Then they enter complaint that my men do not take it.

Some cases have been found where the swill has disappeared, and the people thought the regular collector was taking it. Then when the swill would pile up they would enter complaint and we would find that we had not received anything from them for several months. If the people were more observing this could not happen as we make our collections during the day.

I must again appeal to you for a regular place for garbage receptacles, as my men find them one place today and somewhere else tomorrow. Also, these receptacles should be under cover so that the men would not break them in trying to remove the contents when filled with snow and ice.

We are giving you practically the Summer schedule on account of the mild Winter.

We will in the future, as in the past, try to give the best service possible.

Yours very truly,

W. S. COLLINS

January 18, 1913.

To the Board of Health,

Gentlemen:—The number of barrels of ashes collected weekly will average about 940. The people roll out their barrels and carry ashes out in coal hods and round them up so that it leaves an awful mess on the sidewalks. A great many are now using sugar barrels which makes it very hard for the collector as they are very heavy and cause a great deal of inconvenience. I trust they will endeavor to use the small flour barrel or else leave the larger barrels so that the collector can handle them with ease.

JOHN DOHERTY, Collector.

Report of the Tree Warden

To the Citizens of Stoneham:

At the last March meeting the sum of \$250 was appropriated for the care of shade trees. Of this sum \$175 was expended in spraying for the Elm Leaf Beetle, leaving only \$75 for trimming and bolting trees and the purchase of necessary supplies. It can readily be seen that very little could be accomplished with so small a sum of money.

Seventeen maple trees were planted on Flint avenue and Rowe street, the trees being supplied by Mr. Bernard H. Cogan.

The Leopard Moth seems to be increasing in numbers the infestation being throughout the town. If this increase continues much damage will be done to both shade and orchard trees. As yet no satisfactory method has been discovered of combating this destructive insect which does not entail an outlay of large sums of money. Fortunately we have a very efficient worker in destroying these pests in a species of woodpecker that pecks into the limbs and extracts the larvae for food. The Elm Leaf Beetle is still with us and it will be necessary to spray the elm trees this year as in past seasons.

The power sprayer purchased last year proved to be all that was recommended, a very powerful and efficient machine.

Ten street trees were killed by gas leaking from the mains of the Malden & Melrose Gas Light Co., during the year. The company has signified its willingness to settle for

the damage done. This money will be expended in removing the dead trees and replacing with young trees. The Gas Company at the request of the Tree Warden has had its men bar all the mains in town and all leaky joints have been caulked and everything done to prevent further damage.

The Tree Warden recommends that the sum of \$300 be appropriated the coming year for the care of shade trees.

GEORGE M. JEFTS, Tree Warden.

Report of the Board of Assessors

To the Citizens of Stoneham:

We respectfully submit the following report of the valuations and tax of estates real and personal assessed in the Town of Stoneham, Commonwealth of Massachusetts, for the year 1912:

Value of buildings, exclusive of land, .	\$2,600,643.00
Value of land exclusive of buildings, .	2,068,652.00
<hr/>	
Total	4,669,295.00
Total value of personal property, .	591,585.00
<hr/>	
Total value of real and personal, .	\$5,260,880.00
Tax Rate \$22.80 on \$1000	
Tax on Real Estate	\$106,461.67
Tax on Personal Property	13,488.68
<hr/>	
Total	\$119,950.35

ASSESSED AND APPROPRIATED

Town Grant	\$106,800.34
State Tax	8,750.00
County Tax	4,815.85
Sewer Tax	5,466.51
Water Tax	10,019.69
Park Tax	2,660.78
Wellington Bridge Tax	147.69
Charles River Basin Tax	400.94

State Highway Tax	79.00
Total	\$139,140.80
Less Tax on 2289 Polls at \$2.00	4,578.00
Total	\$134,562.80
Less Water, Corporation and other taxes	18,360.57
Total	\$116,202.23
Overlaysings	3,748.12
2289 Polls at \$2.00	4,578.00
Total	\$124,528.35
Horses	294
Cows	399
Neat Cattle	23
Swine	283
Fowl	1830
Dwelling Houses	1524
Other Buildings	730
Acres	2475

The printed report of valuations in full, as per vote of the Town, to be published once in five years, has been completed and is now ready for distribution.

JOHN BEST

GEO. W. NEWHALL

ALFRED T. RHOADES

Assessors of Stoneham.

Report of the Board of Selectmen

To the Citizens of Stoneham :

The Board of Selectmen respectfully submit the following report for the year 1912.

FINANCES.

For detailed statement of the financial condition of the town we refer you to the report of the Auditors.

LAW SUITS.

By authority of the vote passed April 16, a majority of the Board decided to settle the suits of Catherine L. Kirk, William E. Danforth, William J. Whally and Alexander B. MacIntosh for the sum of \$1300, and by authority of vote passed October 16, the Board settled the suit of Jeanette E. Looker for \$200.

The following suits are now pending :

Quimby & Ferguson, sewer suit so called, for \$35,000, covering claims in relation to sewer contract for 1906.

Mary E. Fisher, for injuries received by a defect in the sidewalk on Hersam street near the corner of Main street.

O'Laughlin & McMahon, sewer suits, reported last year.

Benjamin F. Creamer, Viola Creamer, Rosalind Creamer, Margaret Creamer and Joseph Creamer, \$5000 each for alleged injury caused by pollution of water in well on playground.

Notices have been received from Joseph W. Hannaford, Walter Hannaford and Jennie McCarthy, claiming damages for personal injuries caused by defects in highways.

POLICE DEPARTMENT.

This department is now composed of four regular officers. On May third Edwin L. Nestor resigned and John G. O'Brien who had been certified by the Civil Service commission was appointed to the vacancy.

The Board have adopted rules governing the department.

To the Honorable Board of Selectmen:

Gentlemen:—I submit the following report of the work of the Police Department for the year ending December 31, 1912.

Sumner H. Green, Captain.

Respectfully submitted,

SUMNER H. GREEN,

Captain of Police and Lockup Keeper.

SEALER OF WEIGHTS AND MEASURES

This department is still under the charge of Mr. George B. Williams and is without doubt well taken care of. For a detailed statement we refer you to his report which follows:

To the Honorable Board of Selectmen:

In discharging my duties as Sealer of Weights and Measures I have the honor to submit my annual report of the duties performed by me for the year ending December 31, 1912.

Platform Scales over 5000 lbs. Sealed	5
Platform Scales over 5000 lbs. Condemned	2
Total number of tests	7
Platform Scales under 5000 lbs. Sealed	31
Platform Scales under 5000 lbs. Condemned	1
Platform Scales under 5000 lbs. Adjusted	1
Total number of tests	33

Computing Scales Sealed	11
Computing Scales Condemned	3
<hr/>	
Total number of tests	14
All other Scales Sealed	110
All other Scales Condemned	31
All other Scales Adjusted	6
<hr/>	
Total number of tests	147
Slot Weighing Scales Sealed	4
<hr/>	
Total number of tests	4
Weights Sealed	349
Weights Condemned	3
Weights Adjusted	125
<hr/>	
Total number of tests	477
Dry Measures Sealed	43
<hr/>	
Total number of tests	43
Liquid Measures Sealed	183
Liquid Measures Condemned	18
<hr/>	
Total number of tests	201
Milk Jars Sealed	49
Milk Jars Condemned	5
<hr/>	
Total number of tests	54
Yard Sticks Sealed	30
<hr/>	
Total number of tests	30

Oil and Molasses Pumps Sealed	17
Oil and Molasses Pumps Condemned	4
	<hr/>
Total number of tests	21

During the year I have made many test weighings in stores and re-weighed bread in bakeries and stores, also made many test weighings of coal. I have made three complaints and had same in court, two for short weight and one for using un-sealed scale. Were found guilty and fines were imposed. One appeal was made.

It is the general opinion that when a man has duly sealed a weight or measure his duty ends there. I haven't worked on that principle. I have not only sealed weights and measures, but have followed up their users to see that they applied the weights and measures in the right way. That meant re-inspection in some cases several times a year, without extra remuneration.

I desire to express my earnest appreciation to Chief of Police Sumner H. Green and officers for the hearty co-operation that has been given me.

Respectfully submitted,

GEO. B. WILLIAMS,
Sealer of Weights and Measures.

JURORS DRAWN.

February 12, Sylvester A. Lawrence, Fred H. Claflin.

March 18, Everett B. Daniels, Enos F. Walker, Louis F. Payson.

May 10, Clarence S. Lynde, Myron W. Messer, Winthrop P. Hay.

September 23, Frederick C. McManus, Joseph H. McDonnell.

November 25, Ambrose E. B. Wright, William Rogers.

December 30, Patrick Kernan, Daniel F. McLaughlin, Charles F. Dinsmore.

STREET LIGHTS

Thirteen lights have been installed as follows: One on Emerald Court; one on West side of Main street, corner of Gerry street; One on east side of Warren street, corner of Benton street; one on Hancock street; one on corner of Washington and Prospect streets; one on Prospect street; one on corner of Oak and Forest streets; one on Forest street; two on Curve road; one on Elm street and two on Central street.

As authorized by vote of the town, the Board signed a contract for lighting the streets for a period of ten years; a copy of said contract is printed with the records of the Town Clerk.

FIRE DEPARTMENT

This department is without doubt the equal of any call department in the state. With the acquisition of the new motor truck the town is well protected. The Selectmen would recommend the installation of a Universal fire alarm box which would give residents on the outlying sections of the town excellent service.

To the Honorable Board of Selectmen:—

Gentlemen:—The Board of Engineers respectfully submit the following report for the year ending Dec. 31st, 1912.

During the year there has been forty alarms as follows: January 7. Box 62 for a fire in dwelling on Pine street, owned by Frank Spencer, occupied by Daniel Hogan. Caused by thawing out water pipes. No damage.

January 7. No alarm given. Fire in dwelling owned and occupied by Mrs. Ellen M. Sweetser, Main street. Caused from dropping kerosene heater. Loss covered by insurance. Extinguished with rugs by Mrs. Sweetser.

February 8. Box 53. False alarm.

March 2. Box 63 for a fire in storehouse on Wright street, owned and occupied by Charles Messer. Caused by burning rubbish in next lot.

March 8. Box 34 for a fire in shed owned by Bridget McDonald. Caused by overheated stove. Total loss. No insurance.

April 7. Box 23 for a brush fire off West street. Land owned by Joseph Butler and C. H. Arnold. Cause unknown. No damage.

April 12. Box 62 for a fire in office of Hayward & Litch Express. Caused by mice and matches. No damage.

May 8. Box 28 for a fire in dwelling owned by Maria Paglia, Spring street, unoccupied. Cause unknown. Total loss.

May 9.. Box 63 for a fire in Police Station, building owned by Charles Buck. Man set blanket afire. No damage.

May 18. Box 63 for a fire in dwelling owned by Sarah K. Harrison, Wright street, occupied by John Reagan. Caused by boy stepping on snap match. Lost covered by insurance.

May 29. Box 64 for a fire in dwelling owned by Mrs. John E. Hill, Chestnut street. Caused by rubber pipe on gas stove being disconnected. Loss covered by insurance.

May 31. Box 63 for a needless alarm in Stone & Forsyth's factory.

June 13. Box 36 for a needless alarm in Dr. Blenkhorn's apartments, Main street.

June 19. Box 211 for a fire in boiler house at stone crusher on Franklin street. Caused by spark from chimney.

June 22. Box 37 for a chimney fire on building owned by William Daley, Wyoming avenue. No damage.

July 4. Box 53. False alarm.

July 4. Box 45. False alarm.

July 4. Box 45 for a fire in wooden shed on corner of William and Central streets. No damage.

July 5. Box 34 for a fire in ice house owned by N. B. Fisk, occupied by C. A. Owens. Incendiary.

July 6. Box 26 for a fire in barn owned by Clara Corey, Summer street. Cause unknown.

July 24. Box 52 for a fire in dwelling owned by Mrs. Lena Green, High street. Caused by using sulphur candle.

July 25. Box 62 for a fire in dwelling owned by Herbert Hopkins, occupied by George Batchelder and William McCall, Common street. Cause unknown.

August 28. Box 28 for a fire in dwelling owned by Tony Messmese, in Wakefield.

October 1. Still alarm for a fire in dwelling, corner of Pleasant and Main streets, owned by Martin Mullaly, occupied by James Connell. Chimney fire.

October 15. for a brush fire in Alden's woods, Spring street. Telephone call. Cause unknown. No damage.

October 20. Box 23 for a brush fire, south side of Spring street. Cause unknown. No damage.

October 30. Box 36 for a fire in dwelling owned by Mrs. Abbie Dyer, occupied by Abbie and George Dyer. Caused by sparks from bon-fire. Loss covered by insurance.

October 30. Box 38 for a fire in shed owned by George Osgood, corner Pine and Gerry streets. Caused by children playing with matches.

November 6. Box 47 for a fire in shed owned by John B. Tidd off Main street, occupied by E. J. Knight. Cause unknown. No insurance.

November 16. Box 28 for a fire in factory on Spring street owned by Henry Connell. House and barn owned by C. L. Converse. Total loss on factory and barn. Caused by an explosion.

November 18. Box 34 for a fire in ice-house owned by N. B. Fisk, occupied by W. W. Fisk. Cause unknown.

November 21. Still alarm for brush fire west of Perkins street. Cause unknown. No damage.

November 21. Box 23 for a fire in ice-house owned by N. B. Fisk.

December 2. Box 23 for a fire in Arnold's woods, William street.

December 7. Box 63 smoke coming from Jaquith & Downs chimney. No fire.

December 8. Box 33. False alarm.

December 10. Box 23 for a brush fire on Isabella street. Cause unknown. No damage.

December 13. Box 23 for a grass fire near residence of Henry Severance. No damage.

December 15. Box 44 for a fire in barn owned by W. F. Stevens heirs, occupied by C. A. Owen. Cause unknown. Partial loss.

December 23. Box 45 for a fire in factory owned and occupied by Vera Chemical Company. Caused by tanks of resin boiling over.

During the year, property to the value of \$60,675.04 has been endangered by fire on which there has been a gross loss of \$20,260.63. Insurance has been recovered to the amount of \$13,755.59, leaving a net loss of \$6,505.04. There has been used during the year 19,700 feet of hose and 250 feet of ladders.

We believe it would materially increase the efficiency of the department if the town should purchase a pair of horses to pull the Hook & Ladder truck. These horses could be kept in the barn on Tidd street now used by the Public Works Department and used on the watering cart and other work of that department nearly all the time, and we recommend this be done.

Your committee appointed at the annual meeting in March 1912, to purchase hose for the Fire Department have carried out the vote of the town by purchasing 750 feet from the Boston Coupling Company and 750 feet from the Grant Nail and Supply Company. As a committee to purchase a fire alarm box we purchased one from the Gamewell Fire Alarm Tel. Co. and had it installed at Phinney Terrace, Pond street. The box number is 32.

The house occupied by Combination A and Engine 1

needs repairing and painting and we recommend that an appropriation be made for that purpose.

We recommend that a universal fire alarm box be purchased and installed in the above house. With a permanent man on duty there every person having a telephone can get in communication with him quickly in case of fire, and from the universal box he can at once ring in the alarm of the box nearest the fire, and in many cases save several minutes of valuable time.

We wish to thank the members of your Honorable Board for the assistance and encouragement given us in the discharge of our duties during the year. To officers and members of the several companies we extend our sincere thanks for the willing and efficient manner in which they have performed their duty.

We also wish to thank the Police Department for the aid rendered at fires by them and the citizens of the town for the generous support given by them during the year.

Respectfully submitted,

LOUIS F. BRUCE,
ALBERT J. SMITH,
CHAS. E. CLOUTMAN.

ARMORY

The amount received for rents has been \$2319.25 which includes \$900 received from the state.

BROWN TAIL MOTHS

The town is required to raise and expend the sum of \$2104.35 the coming year.

PERAMBULATION OF TOWN LINES.

As required by law, the town lines have been perambulated between this town and the town of Reading and the city of Medford, and all boundaries found in their proper places.

FENCE VIEWERS

The Board acting as Fence Viewers have been called upon to define the boundaries between the estates of two different parties and so far as known, the orders of the Board have been complied with.

INSPECTOR OF BUILDINGS

Mr. L. B. R. Gray was appointed in March as an agent of the Board for the inspection of buildings. His report follows:

To the Honorable Board of Selectmen,

Gentlemen: I herewith submit report of the inspection of buildings for the year 1912.

Sixty-eight permits were issued covering work classified as follows:

Dwellings, one family	26
Dwellings, two families	6
Dwellings, four families	1
Additions and alterations	7
Stables and sheds	8
Garages	8
Block of stores	1
Stores	1
Theatre	1
Storehouses	2
Shops for manufacturing	4
Ice houses	1
Armory	1
Nursery	1

Total	68
Value of new buildings	\$165,000.00

At the annual town meeting in March, 1912, the Town accepted Chapter 104 of the Revised Laws, Sections 1 to 13 inclusive, and at the special town meeting in October, 1912,

the town accepted Chapter 635 of the Acts of 1912. By the acceptance of the above laws the town is as well protected as any in the state in regard to the building laws.

I would respectfully recommend that a committee be appointed to revise the various building laws and have them printed so that the property owners and contractors may become properly acquainted with the laws.

Respectfully submitted,

L. B. R. GRAY.

Inspector of Buildings.

PUBLIC SCALES

To the Honorable Board of Selectmen:

Dear Sirs:—The weigher in charge of the Town Scales submits the following report:

Number of paying loads weighed, . . .	1649
Number of non paying loads weighed, . . .	19
<hr/>	
Total number of loads weighed, . . .	1668
Cash received, . . .	\$164.90
Weigher's fee, 75 per cent, . . .	123.67
Paid to Town Treasurer, . . .	\$41.23

Yours respectfully,

CHARLES F. HAYWARD.

The Board soon after organization assigned departmental committees as follows: Armory, Brown Tail Gypsy Moth Work and Miscellaneous, Mr. Barnstead; Police, Mr. Hinchcliffe; Fire Department, Mr. Holden.

In April, Herbert H. Richardson, Esq., was appointed Town Counsel, salary \$250.

The Board held interviews with officials of the Bay State Street Railway Company and New England Telephone and Telegraph Company regarding the burying of wires as voted by the town in April.

Meetings have been held with President Bancroft of the

Boston Elevated and President Sullivan of the Bay State regarding the betterment of service on their lines from and to Sullivan Square.

The Board have petitioned the Massachusetts Highway Commission for a portion of the fees received for the registration of automobiles to be expended in repairing Main street from Marble street to Elm street.

GEORGE R. BARNSTEAD,
GEORGE A. HINCHCLIFFE,
LESTER D. HOLDEN,

Selectmen of Stoneham.

Report of the Park Commissioners

Citizens of Stoneham :

We herewith submit the following report for the year ending December 31, 1912.

At an adjourned town meeting, held March 19, 1912, an appropriation of twenty-five hundred dollars was made to properly prepare the playground, which, in our opinion, should have been given if the citizens desire to have the same put in proper condition; but at a subsequent meeting, held March 26, 1912, the vote was reconsidered and an appropriation of five hundred dollars was made which included the rent of the house.

In September, 1912, the board asked for bids to properly grade and prepare the base ball diamond. The bids were opened, but the appropriation not being sufficient,, after deducting twelve dollars and fifty cents for advertising and laying out, we asked for an additional two hundred dollars and it was granted at a meeting held July 3, 1912. The contract was given to A. Baruffaldi, and was completed as per specification and approved by the town engineer. The following is an estimate of completed work as specified in contract awarded to Anthony Baruffaldi, 1912.

Cubic Yards.

488.4	Excavation to sub-grade at 60 per cent,	\$293.04
230	Grading outside of diamond, 60 per cent.	138.00

Square Yards.

900	Loaming and seeding, at 17 per cent.	\$153.00
	To blasting,	18.00
	Removing trees,	75.00
	Total,	\$677.04
	Less 15 per cent	\$101.55
	Credit by cash,	\$575.49

We have exceeded the appropriation to the amount of seventy-three dollars and fifty-four cents which was necessary to put the grounds in fair condition; and the board recommends that the sum of seven-three dollars and fifty-four cents be appropriated to meet this expenditure.

This excess was due to the fact that only sixty dollars of the one hundred and forty-four dollars as rent was realized which was included to make up the five hundred dollar appropriation.

Owing to the fact that the cottage is not connected with the street water service, it is unoccupied and the town is receiving no revenue from it; and as the cost of connecting it with the street service would be exceedingly large, the board recommends that it be moved to a lot on Pomeworth street between the railroad and Capen street at a cost not to exceed twelve hundred dollars. It could then be connected with sewer and water system and the town received a revenue in rent. We also recommend that the sum of fifteen hundred and fifty two dollars and fifty cents be appropriated to remove 2068 Cubic yards of surface between Washington street and Capen street back to Calthea street.

The following is the amount expended for repairs on the buildings on the playground.

Appropriation,	\$100.00
Paid to N. P. Bean for labor and material,	\$49.00
Paid to Owen Hoey, cleaning vault,	5.00
Insurance,	6.00
<hr/>	
Total,	\$60.00
Unexpended balance,	\$40.00

SYLVESTER A. LAWRENCE,
HERBERT P. HOWE,
JOHN WALSH,

Park Commissioners

Report of the Trustees of Public Library

To the Citizens of Stoneham:

The Trustees of the Public Library present their annual report.

It is gratifying to be able to state that each year the work of this institution is extended, and its usefulness in the community is increased. New books are being constantly added to all departments of literature, with due consideration for the varying tastes of the many patrons. The readers of fiction are greatly in excess of all others, but it is earnestly hoped that those who have hitherto devoted themselves exclusively to this class of writings, may be led to seek a variety by reading something else.

The novel is all right in its place, but the best results in mental growth cannot be obtained by feeding the mind with one kind of food only, any more than the strongest body can be built from a too restricted diet. There are as many wonderful and interesting stories in the world of science and art, as ever came from the pen of the most imaginative romancer.

The reference department is particularly rich in books for the student, and we aim to afford all possible assistance to the pupils in the public schools and to co-operate with the teachers in their work.

The librarian, who has received special college training for her position, is ready and willing to aid all who are engaged in research work, both by suggesting suitable books for their use, and also by showing children how to use reference works in the most advantageous manner.

The library provides well lighted and attractive rooms, in which the magazines and newspapers may be consulted

and enjoyed, and affords sources of entertainment and instruction for all the people of Stoneham. The town is generous in supplying the means whereby a well equipped library may be maintained, and all those who avail themselves of the privileges offered should show a grateful and appreciative spirit. However, there are some children and others, who consider themselves too old to be called children, who ignore the legitimate uses of a reading room, and are inclined to treat it as a lounging place in which to cause annoyance to the readers. In order that the greatest good may result from the existence of the library and reading rooms, it is not only necessary that there should be carefully selected books, and efficient attendants, but also that the frequenters of it should realize that it is incumbent upon them to conduct themselves in a quiet and becoming manner with due consideration for the rights of others. There is no better way for boys and girls to spend a portion of their leisure than in reading good books, but, if they visit the rooms on mischief bent, they are a nuisance to others, and receive no profit themselves.

Miss Julia L. Crocker of Simmons College assumed the duties of librarian in December, the position becoming vacant through the resignation of Mrs. H. M. Boyce. Mrs. Boyce had served in that capacity for thirty-six years, always deeply interested in the welfare of the library and working earnestly for its best good. Faithful in the discharge of her duties, she commands the respect and appreciation of all who were associated with her.

Through the kindness of Mr. James A. Jones and Mr. George A. Hinchcliffe, there has come into the possession of the Trustees a warrant for a meeting of the proprietors of the Social Library in the Town of Stoneham held on the twenty-fifth day of October, 1815. As the Social Library was incorporated in the Public Library at the time of its inception, it seems highly fitting that this warrant be included in this report.

To Peter Hay 2nd. Esq. One of the Justices of the Peace within and for the County of Middlesex.

We, the subscribers, being (more than) five of the proprietors of a Social Library in the Town of Stoneham in said County called Stoneham circulating Library, hereby request that you issue a warrant for calling a meeting of said proprietors, on the twenty-fifth day of the present month at six o'clock P. M. at the dwelling house of Sarah Hay, Inn-keeper in said Stoneham; for the following purposes, viz. First. To choose a moderator for said meeting.

Secondly. To choose a Clerk, Librarian, Collector, Treasurer, and such Officers as they may find necessary.

Thirdly. To adopt rules, and regulations; to be observed by the Society, and to transact any other business which may properly come before the Society, relative to its concerns.

Stoneham October the 12th day A. D. 1815.

Abraham Gould. Oliver Richardson. Jan. 20.

David Geary. Elijah Richardson.

Jabez Lynde. Elijah Richardson. Jan 20. Subscribers

John Bucknam. Rufus Richardson.

Nathan Bucknam. Caleb Richardson.

Oliver Richardson.

Middlesex, SS. To Dn. David Geary of the subscribers of the foregoing Application. You are hereby required in the name of the Commonwealth of Massachusetts, to notify and warn the proprietors of the Social Library mentioned in said Application as the Law directs, to meet at the Time and place, and for the purposes therein expressed.

Given under my hand and seal at Stoneham, aforesaid, the sixteenth day of October A. D. 1815.

Peter Hay 2nd. Justice
of the
Peace.

For the following year the Trustees recommend the following appropriations: \$1800, unexpended balance, receipts and gross dog tax.

CHARLES H. CHASE

SARAH A. LYNDE,

CHARLES F. BUCK,

CORA E. DIKE,

Report of the Committee for Purchase of Combination Auto Fire Truck

Soon after appointment your committee met and organized with selection of George R. Barnstead, chairman, and E. L. Patch, secretary.

The secretary was instructed to correspond with the Fire Commissioner of Boston and with the departments of many other cities and towns to ascertain what auto apparatus they had in use, the cost of maintenance, their practical utility and value to the fire protection of their communities.

There was much diversity of opinion as to the value of different makes, all agreed that auto apparatus was a valuable addition to any fire department. Cost of maintenance depended largely upon the character and ability of the men handling the apparatus, being three or four times as much in some cases as in others,—A cool-headed, practical driver and caretaker preventing accidents and excessive repairs.

Your committee has held many meetings at which, as a rule, every member has been present.

Among others they considered the merits of the LaFrance, Knox, Peerless, Kelley, Webb, Packard, Pope-Hartford, Locomobile, Rambler and Seagrave machines.

It was voted not to entertain the offers of any company who could not present one of their machines for trial on the town streets. The manufacturers who agreed to do this were invited to meet with the committee, present plans and specifications and explain the merits of their apparatus. This confined the competition to the LaFrance, Knox, Peerless, Kelley and Seagrave machines. After careful consideration of plans and specifications and careful testing of the machines, it was decided that the Seagrave was best adapted to the use of our department and a contract was entered into with the Seagrave Company to furnish such a machine.

with such changes and extra parts as were thought necessary by the committee for the sum of Fifty-seven hundred and seventy-five dollars. The machine arrived in due time, was thoroughly tried out by the Fire department and found entirely satisfactory. At a meeting of the committee held January 25th, 1913, the apparatus was formally accepted for the town and the bill approved for payment.

Your committee is of the opinion that the apparatus is excellent in design and construction and should reduce the fire risk in our town, but would suggest that great care should be exercised in selecting as drivers men who are well fitted by proper temperament and mental qualities to give it proper care and to use extreme caution to avoid accidents in driving. A single effort to be spectacular before a crowd may cost more damage to the machine than a fire loss in value or cost through loss of life more than the entire value of the machine.

Your committee recommend that the town consider the matter of taking out insurance against accident.

Your committee recommend that the Fire Department be requested to keep an accurate account of all costs in operating this truck for guidance in future purchases. Such account should include cost of lubricating oils, cost of gasoline, time actually consumed in caring for the machine, time consumed in trial trips, alarms answered and time in answering, cost of all ordinary repairs, cost of all repairs due to accidents in running trial trips, cost for accidents met in answering alarms.

Treasurer's Statement

	REGULAR	SEWER	WATER
Balance, February 1912	\$10,695.53	\$1,060.38	\$3,601.38
Received	256,901.35	16,161.24	37,165.31
	\$267,596.88	\$17,221.62	\$40,766.69
Paid	258,649.62	9,257.58	39,553.56
Balance February 1913	\$8,947.26	\$7,964.04	\$1,213.13
Cash	\$639.17	\$315.81	\$381.32
Deposit National Bank	68.67	7,648.23	275.94
Bills Paid	6,053.25		555.87
	\$6,761.09	\$7,964.04	\$1,213.13
G. L. W. Dike Fund	\$2,159.52		
M. M. Dale Fund	26.65		
	\$8,947.26		

The Auditor's report shows \$1,990.44 December water rates still uncollected. Of this amount \$231.82 represents bills which were allowed to stand for a short period pending adjustment and correction of the charges. The balance, \$1,758.62, represents the bills of one manufacturing concern which was granted a short extension of time on account of reorganization of the firm. These bills will all be collected within a very short time.

During the year it was discovered that the town could not legally issue a demand note and, accordingly, the demand note which the Public Library Trustees held, amount \$100.00, was paid, causing the overdraw of the debt appropriation.

For payment of the town debt in 1913, I would recommend \$9,000.00 and for payment of interest \$6,600.00.

Yours truly,
W. PADILLA GRAY, Town Treasurer.

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

To Sumner H. Green, or either of the Constables of the Town of Stoneham in the County of Middlesex. GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the town of Stoneham, qualified to vote in elections and town affairs, to meet in Armory hall in said town on

Monday, the third day of March,

A. D. 1913, at five o'clock and forty-five minutes in the forenoon, to act on the following articles of this warrant:

Article 1. To choose, by ballot, a Moderator to preside at said meeting.

Art. 2. To choose a Town Treasurer, three Selectmen, three Overseers of the Poor, three Constables, two Auditors, a Tax Collector and a Tree Warden, all for one year; also one Assessor, one Commissioner of Public Works, one member of the School Committee, one member of the Board of Health, one Park Commissioner and two Trustees of the Public Library, all for three years; also one Trustee of Lindenwood Cemetery for five years; also to vote "Yes" or "No" in answer to the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?" all on one ballot in accordance with the votes of the town and the Revised Laws of Massachusetts. The polls will be opened at five o'clock and forty-five minutes in the forenoon, and may be closed at four o'clock in the afternoon.

Art. 3. To choose all other necessary Town Officers for the year ensuing.

Art. 4. To hear the reports of Town Officers and Committees and to act thereon, and to choose committees.

Art. 5. To raise such sums of money as may be necessary to defray town charges for the year ensuing, and make appropriations for the same.

Art. 7. To see what sum of money the town will vote to raise and appropriate for the purchase of books, and for the support of the Free Public Library and Reading Room for the year ensuing.

Art. 6. To see what sum of money the town will vote to raise and appropriate for repairs and decoration of soldiers' graves for the year ensuing.

Art. 8. To see in what manner the town will appropriate the money received for the licenses of dogs.

Art. 9. To see if the town will authorize its Treasurer to hire money for the use of the town, under the direction of the Selectmen.

Art. 10. To see if the town will vote to pay the premiums on the bonds of the Town Treasurer and Tax Collector, make an appropriation for the same, or do anything in relation thereto.

Art. 11. To see if the town will authorize the Collector to use all means of collecting taxes, which the Town Treasurer may use when appointed collector.

Art. 12. To see if the town will vote to grant the free use of Armory Hall the coming year when not otherwise engaged, to the following organizations:—Post 75, G. A. R. six evenings; Leon E. Warren Camp 31, U. S. W. V., five evenings; High School Alumni Association, one evening; Stoneham High School Cadets, two evenings; Senior Class in the High School, one evening; Stoneham Fire Department, one evening; Stoneham High School Athletic Association, one evening.

Art. 13. To see if the town will vote to fix the time for allowing discounts on taxes, and also fix the time when uncollected taxes shall go on interest; fix the rate of discount to be allowed, and the rate of interest to be charged, and take such other action as may be necessary in relation to the same.

Art. 14. To see if the town will appropriate the sum of two thousand one hundred and four dollars and thirty-five cents (\$2104.35) for the purpose of continuing the work of destroying the eggs, pupae and nests of the Gypsy and Brown Tail Moths in the highways and public lands of the town; and to take such other action as may be necessary to conform to Chapter 381 of the Acts of 1905 and amendments thereto.

Art. 15. To see if the town will vote to appropriate the sums received by taxation of private property, assessed on such property by reason of destroying the eggs, pupae and nests of the gypsy and Brown Tail Moths by the town; said appropriation to be expended the present year for the same purpose; and all such sums expended to be assessed upon the owners of property benefited.

Art. 16. To see if the town will vote to water the streets of the town, or any of them, or do anything in relation to the same.

Art. 17. To see if the town will vote to oil the streets of the town, or any of them, or do anything in relation to the same.

Art. 18. To see if the town will vote to elect its selectmen at the next annual election in the following manner: One for the term of one year, one for the term of two years, and one for the term of three years, and at each annual meeting thereafter, elect one for the term of three years, as provided in Chapter 560, Section 367, of the acts of the year 1907.

Art. 19. To see if the town will vote to authorize the Selectmen to retain counsel for the ensuing year, and make an appropriation for the same.

Art. 20. To see if the town will vote to adopt the following by-law as authorized by Chapter 308, Acts of 1912: 150 legal voters shall constitute a quorum at all town meetings called for the transaction of town business other than election of town officers," or do anything in relation to the same.

Art. 21. To see if the town will vote to oil the following streets:—Maple street from Main street to Cedar avenue; Chestnut street from Maple street to Hersam street, make an appropriation therefor or do anything in relation to the same.

Art. 22. To see if the town will vote to relay with a twelve inch iron main, the cement main in and through Main street from Marble street to Elm street; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 23. To see if the town will vote to lay a water main in and through Main street from the existing main therein near residence of N. B. Fiske, southerly for a distance of 850 feet to the main near residence of Christensen; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote, or take any action relative thereto.

Art. 24. To see if the town will vote to lay a four inch water main in and through Oakland and Manison streets, to replace the two inch main now therein; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 25. To see if the town will vote to lay a water main in and through Pond street from the existing Main therein southerly to South street; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 26. To see if the town will vote to lay a water main in and through Wilson road from the existing main therein easterly to Pond street, thence northerly in and through Pond street to a point near residence of Gordon A. Frost; raise and

appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 27. To see if the town will vote to lay a water main in and through Elwood avenue from East street to Cedarway, thence in and through Cedarway northerly to Cross street; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 28. To see if the town will vote to lay a water main in and through Marble street from the present main, therein, westerly to the Winchester-Stoneham line; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 29. To see if the town will vote to extend the water main in and through Stevens street from the present main therein northerly for a distance of 150 feet; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 30. To see if the town will vote to lay a water main in and through Lindenwood road from Cottage street westerly for a distance of eight hundred and eighty (880) feet; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 31. To see if the town will vote to lay a water main in and through Harrison street from the present main, therein, northerly to Franklin street; raise and appropriate money therefor, by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 32. To see if the town will appropriate the unexpended balance from the appropriation for the collection of ashes and garbage in the year 1912, amounting to the sum of \$476.01, and to raise and appropriate a sum of money sufficient to carry on the work of such collections during the year 1913, or do anything in relation thereto.

Art. 33. To see if the town will vote to construct a sewer in and through Perkins street from the present sewer, therein, northerly to Franklin street; thence easterly in and through Franklin street to the sewer at Isabella street; raise and appropriate money therefor by sale of sewer bonds or otherwise; pass any vote or take any action relative thereto.

Art. 34. To see if the town will construct a sewer in and through Green street from the existing sewer, therein, northerly to a point near the residence of Samuel Hipkiss; raise and appropriate money therefor by sale of sewer bonds or otherwise;

pass any vote or take any action relative thereto.

Art. 35. To see if the town will vote to repair Broadway from High street westerly to Main street; make an appropriation therefor, or do anything in relation to the same.

Art. 36. To see if the town will construct a sidewalk on Broadway from High street westerly to Main street; make an appropriation therefor, or do anything in relation to the same.

Art. 37. To see if the town will vote to asphalt macadam Warren street from Marble street to Maple street, Central street from Central square to William street, and William street from Central street to Main street, the same to be permanent construction with necessary drains and catch basins; make an appropriation therefor, or do anything in relation to the same.

Art. 38. To see if the town will vote to appropriate a sum of money to complete the installation of meters in the town, or do anything in relation thereto.

Art. 39. To see what sum of money the town will raise and appropriate to maintain drains located under highways.

Art. 40. To see if the town will vote to lay a drain in Pleasant street from Summer street to intersect with drain at Gould street, with catch basins; make an appropriation for the same, or do anything in relation thereto.

Art. 41. To see if the town will vote to lay a drain in Spring street from Spring Lane to East street, and in East street to the drain therein; make an appropriation for the same, or do anything in relation thereto.

Art. 42. To see what sum of money the town will raise and appropriate for railing streets, and for repairs to existing rails.

Art. 43. To see what sum of money the town will raise and appropriate to erect guide posts on street corners.

Art. 44. To see what compensation the town will vote to pay its laborers for the ensuing year.

Art. 45. To see if the town will vote to repair Perkins street from Orris street to Franklin street, make an appropriation therefor, or do anything in relation to the same.

Art. 46. To see if the town will vote to authorize the selectmen to take a strip of land adjoining the brook running from land of estate of John Collins, northerly to Summer street, sufficient to properly clean out said brook so that the water therein will flow and properly drain the estates through which said brook runs; make an appropriation therefor, or do anything in relation to the same.

Art. 47. To see if the town will vote to concrete the sidewalk on the westerly side of Summer street from Franklin street to a point at land of James Keating, where concrete does not now exist, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

Art. 48. To see if the town will vote to concrete the sidewalks on the easterly side of Warren street and northerly side of Gerry street abutting the estate of C. E. and C. L. Jones, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

Art. 49. To see if the town will vote to concrete the sidewalk on the northerly side of Franklin street from the westerly bound of land of Esther M. DeWolf, easterly to Isabella street, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation to the same.

Art. 50. To see if the town will vote to concrete the sidewalk on the southerly side of Winthrop street from Warren street westerly to existing walk at land of Harriet I. Hayward, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

Art. 51. To see if the town will vote to concrete the sidewalk on the easterly side of Wright street from the existing walk thereon, southerly to Hancock street, make an appropriation for the same, or do anything in relation thereto.

Art. 52. To see if the town will vote to concrete the sidewalk on the westerly side of Lincoln street from Hancock street to the northerly line of driveway on land of E. L. Patch, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

Art. 53. To see if the town will vote to concrete the sidewalk on the easterly side of Avon street from the existing walk thereon, northerly to Myrtle street, and on southerly side of Myrtle street from Avon street easterly to the easterly boundary line of land of Harry Moulton, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

Art. 54. To see if the town will vote to construct a concrete sidewalk on the easterly side of Keene street from the

northerly boundary line of land of Caroline W. Chapin, southerly to the southerly line of land of Susie Smith, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation therefor, or do anything in relation to the same.

Art. 55. To see if the town will construct a gravel sidewalk on the easterly side of Keene street, from the southerly boundary line of land of Susie Smith, southerly to Washington street, make an appropriation for the same, or do anything in relation thereto.

Art. 56. To see if the town will construct a gutter on the easterly side of Keene street from Cowdrey street southerly to Washington street, make an appropriation for the same, or do anything in relation thereto.

Art. 57. To see if the town will vote to construct a gravel sidewalk on the easterly side of Pond street from Summer street southerly to South street, make an appropriation for the same, or do anything in relation thereto.

Art. 58. To see if the town will vote to construct a gravel sidewalk on the easterly side of Main street from the existing walk near the land of Maurice Meade, northerly to the Reading town line, make an appropriation for the same, or do anything in relation thereto.

Art. 59. To see if the town will vote to construct a gravel sidewalk on the easterly side of Main street abutting land of Charlotte P. Holden, make an appropriation for the same, or do anything in relation thereto.

Art. 60. To see if the town will vote to install incandescent electric lights as follows:—One at the corner of Main street and Wilson Road; two on Main street between North street and the Reading town line; one on Hersam street near the house of Ernest S. Frazier; two on North street between Main street and the Wakefield town line; one on Columbus avenue; two on Park avenue near the Wakefield line; one on Cottage street near the residence of Nellie F. Wright; one on Forest street near residence of Mr. Pingree; one on Emerald Court opposite No. 14; one on Pond street northerly from Phinney's Terrace; make an appropriation for the same, or do anything in relation thereto.

Art. 61. To see if the town will vote to install an electric arc light on Williams street near the High School opposite property of Mary Souther, make an appropriation for the same, or do anything in relation thereto.

Art. 62. To see if the town will vote to place the fire alarm wires on Main street from Marble street to Union street under-

ground, make an appropriation for the same, or do anything in relation thereto.

Art. 63. To see if the town will vote to purchase 1000 feet of hose for the Fire Department, make an appropriation for the same, or do anything in relation thereto.

Art. 64. To see if the town will vote to purchase a universal fire alarm box, make an appropriation for the same, or do anything in relation thereto.

Art. 65. To see if the town will vote to repair and paint the house occupied by Engine No. 1, and Combination A, make an appropriation for the same, or do anything in relation thereto.

Art. 66. To see if the town will vote to purchase a pair of horses and the necessary equipment, to be used on town work and hauling the Hook and Ladder Truck, make an appropriation for the same, or do anything in relation thereto.

Art. 67. To see if the town will raise and appropriate the sum of \$500 for an evening school for the ensuing year, or do anything in relation thereto.

Art. 68. To see if the town will raise and appropriate the sum of \$600 for the erection of a band stand to be placed near the Dean and Center Schools on Central street, or do anything in relation thereto.

Art. 69. To see if the town will choose a standing committee to provide open air concerts.

Art. 70. To see if the town will accept the fund received from the estate of Matilda M. Dale for the care of the Soldiers' lot in Lindenwood Cemetery.

Art. 71. To see if the town will vote to concrete the crossing on Main street at Union street, make an appropriation for the same, or do anything in relation thereto.

Art. 72. To see if the town will vote to repair the culvert under Summer street near the residence of Bridget M. Maguire so as to properly take the water from land south of said street, and make an appropriation therefor.

Art. 73. To see what sum of money the town will appropriate for the maintenance of sewers the year ensuing.

Art. 74. To see what sum of money the town will appropriate for the necessary expenses of the Board of Health for the ensuing year.

Art. 75. To see if the town will vote to appropriate the unexpended balance of two hundred dollars, appropriated under authority of Chapter 49, Revised Laws, in April 1912, said sum

to be at the disposal of the Board of Health to make sewer connections.

Art. 76. To see if the town will vote to construct a drain in Gould street from near the residence of Arthur N. Newhall westerly to the brook at the Railroad crossing, with two catch basins on Summer street to be connected with said drain and necessary catch basins on Gould street, make an appropriation for the same, or do anything in relation thereto.

Art. 77. To see if the town will vote to regrade the sidewalk on the easterly side of Main street from Elm street to Broadway, make an appropriation for the same, or do anything in relation thereto.

Art. 78. To see if the town will vote to locate Fire Alarm Boxes as follows: One on Park avenue near the Wakefield town line; one on Green street near the stand pipe; one on Spring street at its junction with East street; make appropriations for the same, or do anything in relation thereto.

Art. 79. To see if the town will vote to locate a hydrant on Spring street near Eustis street, make an appropriation for the same, or do anything in relation thereto.

Art. 80. To see if the town will vote to sell the following property:—The building on the school house lot on Franklin street; the lot of land on Bow street court, known as the Bow street court gravel pit, and the lot of land on Pond street known as the stone crusher lot, or do anything in relation thereto.

Art. 81. To see if the town will re-appropriate the unexpended balance of \$1000, from the year 1912, to be used to complete the contract for a survey of the town, said contract having been made by the Selectmen under authority of a vote of the town passed at the annual meeting in March 1912.

Art. 82. To see if the town will re-appropriate the appropriation of \$5900, voted at the annual meeting in March 1912, for the purchase of an Automobile Combination Chemical and Hose Truck.

Art. 83. To see if the town will vote to lay a water main in and through Central street from Elm street northerly to a point near the residence of Joseph Brown; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Art. 84. To see if the town will vote to repair the bridge on Central street near the residence of Arthur W. Chamberlain, make an appropriation therefor, or do anything in relation to the same.

Art. 85. To see if the town will vote to raise and appropriate the sum of \$225 to repair the ceiling of the sewing room at the Dean School.

Art. 86. To see if the town will vote to raise and appropriate the sum of \$575 to lay new floors in the Dean School, completing the necessary repairs therein.

Art. 87. To see if the town will vote to raise and appropriate the sum of \$200 to paint the South School.

Art. 88. To see if the town will vote to raise and appropriate the sum of \$200 to paint the East School.

Art. 89. To see if the town will vote to raise and appropriate the sum of \$175 to paint the outside woodwork at the High School.

Art. 90. To see if the town will vote to raise and appropriate the sum of \$225 to retint the walls of the High School.

Art. 91. To see if the town will vote to raise and appropriate the sum of \$600 to install sanitaries in the High School.

Art. 92. To see if the town will authorize the Selectmen to bring suit under Chapter 689 of the Acts of the year 1912, being an Act entitled, "An Act to provide for determining the damages to be paid to the town of Stoneham by reason of the taking of Spot Pond for the Metropolitan Water Works."

And you are directed to have three hundred and twenty-five copies of this warrant printed, and to serve the same by posting up twenty-five attested copies as follows, viz:—One upon each school house and meeting house in said town, and the residue of the said twenty-five copies in conspicuous public places in different sections of the town, seven days at least before the time for holding said meeting, and by publishing a duly attested copy of said warrant in some newspaper published in the town, the last publication to be not less than three days before said meeting. The remaining three hundred copies you are required to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hand this twenty-first day of February in the year of our Lord, one thousand nine hundred and thirteen.

GEORGE R. BARNSTEAD

GEORGE A. HINCHCLIFFE

LESTER D. HOLDEN

Selectmen of Stoneham.

A true copy, Attest: SUMNER H. GREEN, Constable.
